Dear Members of the Glen Waverley Primary School Community,

Welcome to another very exciting and information filled newsletter! As usual so many marvellous things have occurred at our wonderful school over the past fortnight such as:

School Council Update
Last Monday was the first meeting for the 2014 School Council and it is wonderful to see a number of new parents. This year is going to be another very exciting School Council year as we embark on various new initiatives and also complete some of the governance tasks which we are required to do.

In terms of Curriculum initiatives we will:
- Embed our whole school approach to Reading and develop whole school approaches to
- Writing, Mathematics, Assessment and Reporting and Student Wellbeing.

In terms of facilities improvements, this year we plan to complete:

1. Continue developing our school grounds
As reported in the last newsletter, the area behind the Out of School Hours Care and Music Building will be redeveloped as such:
- Year 3/4 adventure playground – the landscaping will be changed and redesigned to include additional seating, fencing and refilling of the soft fall material and sand in the sand pit and
- New basketball and netball posts and rings will be installed

We have also signed a contract for the installation of shade sails which will be placed in between the main school building and the Out of School Hours Care and Music Building. The project will consist of 7 x 4 point sales (7.5 x 9m each) spanning the area from the covered walk way to the student bathroom end of the main building.

SCHOOL LUNCH ORDERS

Lunch orders are available from our service provider Gourmet Delish five days a week. Ordering is done through an online service, details of which are available on our website. http://www.studentlunch.com.au/Ordering_online.html

UNIFORM SHOP

Situated in the West Wing on the School Grounds
Open Monday between 3.00 – 4.30 pm
Closed Public Holidays and School Holidays
Please bring your own bag for purchases as we are an environmentally friendly school
Orders may be left with the office – these must be in an envelope marked with the child’s name and grade together with payment, correct monies are appreciated.
PRINCIPAL’S REPORT (Cont’d)

2. Internal Facility Improvements

- New ELC classroom – the carpet which matches the other classrooms has arrived and we hope will be laid this weekend
- ELC storage room – this project is now completed and we will commence moving the resources in over the next few weeks
- New portable classrooms – this project has now been completed
- Block B – 3AJ’s and 4SD’s classroom refurbishment has been completed
- Block B – 3DJ’s and 3KC’s classrooms we plan to refurbish these rooms during the June/July holiday period
- Block B – new roofing has been planned for the April holidays
- Art room and staff room floors – these will also be completed during the April school holidays
- Student bathroom redevelopment – plans are in place for the majority of this project to also occur during the April holidays although some will be completed prior. This will involve updating the flooring, tap fittings, soap dispensers, lights and hand dryers. We will also paint inside the bathrooms area and the foyer
- Refurbishing the “meeting room” into the Principal’s office space – to be completed in Semester Two
- Block B – corridor, storage room and external works such as painting – to be completed in Semester Two
- Extending the OSHC building - to be completed in Semester Two

Once again, we are extremely fortunate to be in a position where we can complete the various tasks as indicated above.

What is the Role of School Council?
Essentially School Council is our school’s governing body and is responsible for the following as outlined in the Education and Training Reform Act 2006. In essence, the role of school council is one of helping to set the long term future for the school and maintaining oversight (not management) of the school's operation. It is not about running the school – that is the job of the Principal.

The responsibilities of school council include:

- Contributing to the development of the school strategic plan (the document that tells people what the school wants to achieve in the future and how it plans to get there). A copy is available on our school website
- approving the annual budget (the financial plan for the calendar year that tells people how the school is going to provide money so it can implement its strategic plan in that year) and monitoring expenditure;
- developing, monitoring, reviewing and updating policies (guiding principles designed to influence decisions, actions that the school makes);
- developing, reviewing and monitoring both the Student Engagement Policy (how the school expects students to behave, how bullying will be managed and the school's approach to managing student behaviour) and the School Dress Code (this includes how students are expected to dress during school hours including travelling to and from school, if the school has a uniform and what that looks like, and any arrangement with clothing suppliers that the school might enter into);
- informing itself and taking into account the views of the school community when making decisions regarding the school and the students
- arranging for the supply of the things needed for the conduct of the school (such as goods, services, materials and equipment), including pre-school programs
- providing meals and refreshments for students and staff and charging for this
- raising money for things that the school needs
- making sure the school’s grounds and buildings are maintained
- entering into contracts for things like cleaning the school or a school council building project
- regulating and facilitating the after-hours use of the school premises and grounds
- creating interest in the school within the community
- making a recommendation to the Secretary regarding principal selection.
PRINCIPAL’S REPORT (Cont’d)

What school council does not do?
• School council does not manage the day to day running of the school. For example, it does not employ teaching staff, decide which classes students will be assigned to, or sort out issues relating to individual teachers and students and/or parents.
• School council does not discuss individual issues relating to teachers, staff or parents – these are very clearly management roles, and therefore the principal's job.
• to represent specific interest groups or permit special interests to dominate the agenda of the council.
• School council is also not allowed to purchase land, buildings or motor cars, and it cannot enter into hire purchase agreements or obtain credit or loans, unless it is given permission by the Minister.

Role of school council members
• Parent members on school council bring their experience as parents at the school and the views of the wider school community to school council meetings.
• DEECD employees bring their educational expertise to school council meetings.
• Community members, if they are on school council, most often bring a particular skill to school council. They might bring accounting skills or building skills or some other skill that the school is looking for at that time.

An example of a school council code of conduct can be found at http://www.education.vic.gov.au/management/governance/schoolcouncils/operations.htm

Where can you find out more?
For further information on strategic planning, the annual budget, and policy development, see http://www.education.vic.gov.au/management/governance/schoolcouncils/strategicplanning.htm

The above information was derived from the DEECD document “Roles and Responsibilities – the Function of School Councils”

I hope the above provides everyone with a clear understanding of the role of our School Council. A reminder that School Councillors are your representatives and it is very important that everyone is aware of who they are. If you have any further queries regarding School Council please do not hesitate to contact or see me.

Cultural Diversity Week
This week has been another very important week in our school calendar as we celebrate and acknowledge the cultural diversity which makes up our wonderful school. A sincere thank you to the Curriculum and Multiculturalism Team consisting of Mrs Gough, Miss Smith, Ms Baizanos, Mr Warren and Ms Kolovos for overseeing the week and to the parents and families who were able to attend the various special activities throughout the week – once again, your support is very much appreciated!
Viva Victoria Festival - Sunday 23 March 2014

This year is the 13th state-wide Cultural Diversity week celebrations which is organised by the Multicultural Commission of Victoria, who oversee a magnitude of events throughout the week culminating with the Viva Victoria Multicultural Festival this Sunday 23rd March at Federation Square from 12 to 6 pm. A copy of the program be found at: http://www.multicultural.vic.gov.au/projects-and-initiatives/cultural-diversity-week/viva-victoria

The Viva Victoria Multicultural Festival will consist of music and dance across four stages, food, workshops, fashion, arts, crafts, a kids zone with free activities and face painting, and much more, this free public event is the ultimate celebration of Victoria’s awesome cultural diversity.

Highlights of the 2014 Viva Victoria Festival will include: delicious food from around the world; a Kids’ Zone; roving performers; an exhibition of short films featuring culturally-diverse Australians; an exhibition of children’s art; sports clinics and cultural demonstrations.

For more information about the Viva Victoria festival, please contact Hannah Cusack on (03) 9384 1190 or hannah@perfectevents.com.au

Prep Family BBQ

The annual Prep Families BBQ was held last week and this too was another huge success with over 200 people in attendance. It was just wonderful to see the children, parents, grandparents and staff getting to know one another in a relaxed and informal manner. I would like to acknowledge the work of the Community Relations Committee in preparing and organising the BBQ and drinks and also our wonderful Prep teachers – Ms Baizanos, Ms Teoh, Mrs Anagnostou and Mrs Tzialis. Well done and congratulations everyone!
Year 3 – 6 Swimming Program

This year we have had to make some changes to our annual swimming program with it now being broken up into two separate programs - Year Prep to Two and Year Three to Six programs. The Year Three to Six program was held over the last three weeks and I would like to thank the children for their outstanding participation and commitment and also thank all of our families for your support with this very important program as it is never easy to coordinate and organise swimming attire, towels, goggles, school uniform, snacks for recess, fruit for fruit time and also lunch all at the same time. Your efforts are really appreciated and I hope everyone was pleased with the program! Certainly the parents I have spoken to were quite content with the quality of the lessons, the venue and overall organisation which is great to hear. Also thank you to the teachers for their flexibility whilst the swimming program was in operation as these programs do impact on a teacher’s program and to Mr Warren for his outstanding organisation – thank you and well done everyone!

Congratulations to the following students

At a recent Junior School Council meeting the children selected their 2014 President and Vice President which is naturally a very big honour. Congratulations to Hyunbae for being selected as the 2014 President and to Derek as the 2014 JSC Vice President. I am sure the boys will do an outstanding job in these very important roles.

Also this year we have expanded our Student Leadership Team to include Science and Peer Mediation Captains.

Congratulations to Isaac and Chithi for being selected as our inaugural Science Captains who will be responsible for assisting with such tasks as coordinating the classroom Science kits, meeting with our scientists Mark and Wei Yen and assisting our Ms Dale and Mrs Tzialis. Well done and congratulations to Chithi and Isaac for your wonderful achievement!

Also congratulations to Sreya and Anju who have been selected as our inaugural Peer Mediator Captains. Peer Mediation is a brand new program at our school where 30 Year 6 children will be trained to manage minor issues in the yard. The children will complete a day of training on Wednesday 2nd April before they commence the program at the beginning of next term. Well done and congratulations Sreya and Anju for your wonderful achievement too!

As a result of the above being finalised, we are now in a position to have the school honour boards updated. These are currently with the engravers and we hope to have them back before the end of term.
School Photographs
It certainly was a very hectic day on Friday 7th March with the photographers having to take literally hundreds of photographs throughout the day. Thank you for supporting this annual event which obviously makes outstanding mementos that will be cherished for many years to come. We are looking forward to receiving the photographs early in Term Two.

Athletics Sports
There is certainly a great deal of excitement and anticipation in the air at the moment as the children and staff from Year 3 – 6 prepare for our annual Athletics Carnival on Friday 21st March (tomorrow) at Central Reserve (corner of Springvale and Waverley Roads). We expect to commence at 10 o’clock and should be completed by 2:30. It promises to be a very exciting day and we would love to have as many parents as possible there to assist and support the staff and children.

Global Education
Last week the children in Year 6 spent some time with members of the Childfund Connect program. This initiative involves using Skype, smartphones, digital video and/or handheld pocket video recorders to film experiences and post them on line on a shared resource which is accessed by children in Timor-Leste, Vietnam, Laos and Sri Lanka. We are incredibly proud to be the only school in Victoria participating in this program which is a real thrill for the children and staff. The Year 6 children have been divided into 2 groups with one group working with children and schools in Laos and the other Sri Lanka.

The program is broken up into two parts. In Term 1 and 2 the students will connect with their partner school. Then they will learn about their partner’s country and participate in a video exchange project. In Term 3 and 4, the students will participate in an international project involving all ChildFund Connect schools.

The above are examples of how the students at Glen Waverley Primary School are developing their awareness of:
- Global issues
- Are becoming more globally aware
- Developing their sense of global citizenship and international mindedness and
- Are prepared to make a difference to their world.

More information can be found at the Childfund Connect website: www.childfundconnect.org

We look forward to sharing the children’s experiences with the very exciting project throughout the year.
Arriving on Time

All families are reminded that students are to be at school before the first bell (8:50) each morning. We consistently have a small stream of students arriving after the bell. This situation does not provide a good start to the day for the children who are late and is also very distracting for the teacher and the class when a student enters the room. Often the teacher must stop and begin instruction again to accommodate the latecomer. I do ask that all families make a huge effort to be at school on time every day!

Vacation Care Program

I always find it incredible as to how quickly each term disappears! Included in this newsletter is an overview of the forthcoming Vacation Care (Holiday Care) program which will be implemented during the April holidays. Once again Camp Australia has been able to offer a terrific array of activities both within and beyond our school.

Please be aware that ALL FAMILIES are entitled to a 50% rebate (which is not means tested) plus a further rebate which is determined by your family’s 2012-2013 annual taxable income. If you have any questions pertaining to the Vacation Care program please do not hesitate to contact or see Grace (OSHC coordinator) or me at school.

CONGRATULATIONS TO THE FOLLOWING STUDENTS WHO RECEIVED A PRINCIPAL’S AWARD RECENTLY:

Prep CB: Kusal and Dennika for writing wonderful sentences about tall objects
1KG: Sinidhi for being very generous and providing all of the children in Year One a souvenir from the Australian Open tennis and Keisha for being a great friend
1MB: Ardi for making outstanding progress with his spelling, Sean for being a wonderful friend, Sanija and Saum for outstanding home learning and for getting 10/10 for their spelling tests
1SR: the entire class for fabulous writing
2ND: Ally for completing a wonderful venn diagram about families and Anujana and Imashi for being great friends, Sophia, Yenula, Randiv and Bilaal for outstanding reading. The whole class for completing amazing projects about their family
3AJ: Paare for creating a wonderful family tree and Kaveen for getting 10 out of 10 for his spelling test
34S: Pranav for completing an outstanding reflective learning piece
4MK: Dulvin for creating a wonderful PowerPoint presentation about time and for being able to mathematically explain symmetry, Rahul for being a great friend and Uvindee for producing a symmetrically balanced family tree
5JT: Aadith for creating a wonderful keynote about communities, Disura for a wonderful keynote about coffee beans and Sehansa for completing fabulous home learning
5PA: Tony for being a wonderful school helper
5SR: Jana for creating an amazing project about fair trade (coffee beans) and Sanchna for being a wonderful friend and for assisting with the writing of the Kids Corner section of this newsletter
56L: Mahad for being an extremely responsible members of our school community and Amrita for writing of the Kids Corner section of this newsletter
6CG: Robin and Dylon for being wonderful school helpers
6SY: Rehan also for being an extremely responsible members of our school community
BIRTHDAYS

Happy Birthday to the following students who celebrated their special day during the second half of March:

Prep OA: Nuo Yan, Hansalee and Diya  
Prep CB: Cheniru  Prep LT: Hasaru  
1KG: Harunyah and Elaine  
1MB: Chanu  1PK: Venu  
2CW: Kavi  3KC: Min  
4MK: Dilara J and Snigdha  
4KB: Methuli  4SD: Sendiya  
5JT: Ifaz  
6LT: Diniru and Vagdevi  
6SY: Nandita, Christi and Shalynne

Frank Catalano  
Principal
Cultural Diversity and Harmony

This week across our school we are celebrating “Cultural Diversity Week” which is an opportunity for our school to reflect upon and recognise the wonderful contributions made to our community from various cultures and regions of the world. Our school is a unique mix of over 35 nationalities which blend together to make Glen Waverley Primary School a diverse and exciting learning community.

One of the key features of our school is the ability of the students and families to accept and welcome each other regardless of individual differences. In fact, in addition to high levels of engagement in their learning, this ‘acceptance’ is often mentioned by the students when asked about reasons why they enjoy being part of Glen Waverley Primary School. As adults we know that happy children are more likely to be actively engaged in their learning.

Children’s well-being and happiness is often related to their ability to get on with others, and make and keep friends, especially within the school setting. As adults we can help to promote key behaviours and attitudes that celebrate cultural diversity and promote harmony.

The following social behaviours are skills which can help students to build and maintain positive relationships with their peers:

1. Eye contact and conversational skills: Looking someone in the eye when you speak is perhaps the most important interpersonal skill in the Australian culture. Children who spend a lot of time in front of screens and little time in front of faces often have difficulty in this area.

2. Friendly behaviours: This includes good manners, chatting to lots of children, taking an interest in others, knowing how to start up a conversation and how to ask to enter a game.

3. Playing games fairly: Being able to play fairly during a game and include others are more important social skills than being able to play a game with skill.

4. Tolerance of differences: Tolerant children tend to collect a variety of friends. Variety is important as it helps your child to be more understanding and compassionate of others’ feelings.

5. Believing in and accepting yourself: The ability to believe in yourself and to be able to stand up for this is a key skill when interacting in the school yard. Some of the skills that generally fit into this category are; ignoring someone who gives you a hard time, knowing of and standing up for your rights, being assertive and knowing how to ask an adult for help.

6. Accepting differences in others: as adults we can learn a lot from young children who have not yet formed stereotyped beliefs of others based on appearances. However, as children grow we need to remain aware of how we as parents can promote acceptance and diversity.

Tolerance of others is a vital ingredient for success in a global world. Children who accept differences in others are setting themselves up for success in a world of diversity in which they can become active global citizens.
Holi is an Indian celebration, celebrated on the first full moon of the spring season (it is Spring in the northern Hemisphere). On this day we wear old (preferably white) clothes that we do NOT want to wear anymore and it is a day that you should be surrounded by family and friends.

We rub coloured powder onto each other. This coloured powder is usually spring colours. For example, red, yellow, pink, green and orange. However in India you need to be careful if you are walking on the streets on this day because a lot of naughty children will either make you do a dare. If you refuse to do the dare, they will dunk a bucket of coloured water over your head or throw balloons filled with coloured water at you.

Do you sometimes wish you were a child? Well, today is your lucky day because at Holi, adults have to get extremely colourful and dirty and in the end, behave like children. Everything has to have a bit of that coloured powder on it – your head, hair, clothes, EVERYTHING!

Holi is also the children's lucky day because usually adults ask us to remain tidy and clean but during Holi they encourage us to get as 'colourful' as possible. It is wonderful as people are running around, chasing people to put colours on them or vice versa.

If your feet are not hurting you by the end of the day, you have not had enough fun and not celebrated Holi properly. And what good is a celebration without sweets? Like all other celebrations, people distribute delicious sweets. By the end of the day, you should be so dirty that when you take a shower the colour will drip from your body and the shower floor should be extremely colourful.

Oh, by the way, do not worry if the colour will not come of the first time, it takes around 2-5 days for some colour to come off. It does not matter where you come from, next time, when people celebrate Holi, JOIN THEM!!!

Happy Holi! - Amrita (5/6L) and Sahanchina (5SR)
2ND CAFE Reading goals!
In 2ND, we are working really hard to learn new reading strategies using our whole school approach to our CAFE reading program. Listed above, each student in 2ND has chosen a reading goal to work towards. We are having lots of fun in reading (as well as learning!) and look forward to it everyday! We love our book boxes on our tables and we love going to the library to borrow new and interesting books! We LOVE reading!
Last Thursday on a beautiful Autumn day, the Year 6 students along with Mr Lewis, Mr Younes, Ms Tran, Ms Gooch, Mrs Doyle and Mr Warren went to the Jells Park Sports precinct to participate in a whole day of sports matches against schools in our District.

We were lucky enough to be able to enter an extra Danish Rounders team which allowed more students the chance to participate in the matches more often. Each of our six teams played four matches and then a lucky few were able to play-off in a final. All teams managed to win at least one of their games and the defeats were very close ones. Our cricket team were fortunate enough to be able to win every one of their games including the final.

Overall, Glen Waverley finished equal 2nd in our Division of five schools and we just missed out on first place by one point. It was a great result for our school and a credit to the students and staff who had put in extra training work.

Our students participated, encouraged and behaved superbly on the day and we received compliments for this by other schools. Well done on such a wonderful day, I’m sure everyone is now looking forward to the Winter Sports program in Terms 2 & 3.

Below is a table of the day’s results:
