Dear Members of the Glen Waverley Primary School Community,

Welcome to another edition and the final newsletter for Term 3. It really is amazing to think that we are at the three quarter mark of the 2013 school year – my, where does the time go?

It certainly has been a fantastic term and amazing fortnight for our school community. As per usual, there is so much to share, enjoy and celebrate!

School Production
It would be rather remiss of me not to commence this newsletter without reflecting on our amazing concert; and, wow, what a night we had! The children were simply amazing as they sang, danced, acted and, most importantly, thoroughly enjoyed themselves on stage and also whilst supporting their peers. The cheers, streaks of laughter and overall level of excitement were contagious throughout the entire evening and I cannot express how proud I am of ALL OF THE CHILDREN and STAFF as they were simply outstanding!

Once again, I would like to acknowledge our wonderful staff who worked tirelessly to ensure the evening was well planned, coordinated and implemented. Naturally such an event is a team effort and the staff team at our school is second to none! Our school concert was led by Mrs Hallas, Ms Bures, Mr Hudson and Mr Lewis all of whom should be incredibly proud of their efforts and leadership of this amazing event.

I would also like to once again thank our amazing families as without your support such an event could not proceed. We had parents assisting in numerous ways such as in the car park, selling raffle tickets, donating items for the raffle, selling photographs etc. And, most importantly, you also assisted by ensuring the children were ready for the event.

SCHOOL LUNCH ORDERS
Lunch orders are available from our service provider Gourmet Delish five days a week. Ordering is done through an online service, details of which are available on our website. http://www.studentlunch.com.au/Ordering_online.html

UNIFORM SHOP
Situated in the West Wing on the School Grounds
Open Monday between 3.00 – 4.30 pm
Closed Public Holidays and School Holidays
Please bring your own bag for purchases as we are an environmentally friendly school
Orders may be left with the office – these must be in an envelope marked with the child’s name and grade together with payment, correct monies are appreciated.
On behalf of the staff, thank you mums and dads for all of what you did in order to ensure our school concert was an amazing experience for everyone to remember for many years to come!

As you would be aware, the entire concert was recorded by a professional company. If you are yet to place an order for a DVD of the event I suggest you do so promptly. As the DVD will be a fantastic memento for many, many years to come.

The children have spent quite some time writing about their concert hence we have included some of their thoughts in this newsletter.
Facilities Update

Our New Classroom
Unfortunately there still has not been any progress with the extension behind the Early Learning Centre since our last newsletter as we are still waiting for the Building Permit to be issued – hopefully this arrives shortly so work can commence.

Music and EAL Classroom
As mentioned in the previous newsletter, the tradespeople have completed the extension of the EAL (English as an Additional Language) classroom which as of the beginning of next term will be used as the Music and EAL classroom. This frees up our current Music Room which will be used as a classroom in 2014.

Level 3 Building
The tradespeople have also commenced refurbishing the Level 3 building. Over the holidays they will continue cleaning, painting, replacing windows etc.

We are in the news again - Shane Crawford’s Visit
The children were certainly thrilled when ex-AFL footballer and now media personality Shane Crawford visited our school on Monday 26th August. Shane is the AFL Auskick ambassador and he attended in order to promote our school based Auskick programs. As a result of his visit, our school was featured in the VFL Footy Record – included is a copy for your enjoyment.

Enrolments
Once again, I would like to remind families with children who will be beginning school in 2014 that enrolments are closing rapidly with only a very small number of positions available as places are filling fast. Hence I strongly encourage you to ensure you return your child’s enrolment form to Jenny or Pam as soon as possible.

We also ask that members of our school community assist us by informing any of their neighbours of the enrolment procedures and direct them to the office to collect an enrolment form or our school website – www.glenps.vic.edu.au.

School tours are available every Tuesday morning commencing at 9:30 and also upon request. Please call the school on 9802 9938 to book a tour.

During Term Four we will be preparing for the 2014 school year and would really like your assistance in providing us with as much information as possible regarding your intentions for next year. If you believe you will not be returning to Glen Waverley in 2014 could you please write me a short note indicating so. As I am sure you would understand, we need to commence the process of selecting staff and allocate students to classes – your cooperation with this issue is greatly appreciated.

Outdoor Education Programs
Over the past month our outdoor education program has really been in full swing. The Year 5 camp has been held and recently the Year Prep – Two “Late Night at School” and the “Year 3 Sleepover” were also held and this week the Year 6 children are on camp.

Year P – 2 Late Night
The Year Prep – Two “late night” was a wonderful event and a huge success where the children were able to remain at school until 8:00 where they thoroughly enjoyed the activities, movies and pizza! A sincere thank you to the Community Relations Committee for the wonderful organisation and to all of the staff who remained to assist.
Year 3 Sleepover
The annual Year 3 Sleepover was held on Friday 6th September and once again was thoroughly enjoyed by all. The Year 3 children had a wonderful time completing a number of introductory camp activities as was evident by the huge smiles on their faces throughout the entire experience. Once again, a sincere thank you to the staff who implemented and assisted with this program.

Year 6 Camp
The Year 6 children are currently in Maldon and are enjoying a wonderful week away. They have experienced so many wonderful things such as a long walk to Mt Tarrangower, bicycle ride to Muckleford, walk to the famous lolly shop in Maldon, yabbying and an abundance of activities on the camp site such as minigolf and archery. The staff and children are due back tomorrow afternoon and we look forward to sharing their experiences and stories with everyone next term.

Public Speaking Competition
Congratulations to Dylan (Year 5) and Raghav (Year 4) who participated in Super Speak's SpeakFEST public speaking festival on Sunday 8 September.

Dylan received the adjudicator's Super Speak first choice award in the 10 years and under persuasive speech section - an award for being the best speaker in the section. Raghav received a highly commended award for his performance of a poem in the 10 years and under section. Well done and congratulations to both boys for a fantastic effort!

If you would like to know more about the Super Speak program, please contact Vicki on (03) 9572 5249.

Glen Waverley Uniting Church Fete
The Uniting Church fete will be held on Saturday 12th October from 8:30 to 2:00 pm at the corner of Bogong Avenue and Kingsway, Glen Waverley. At the fete you will be able to stock up on cakes, jams, art and craft, plants, clothes etc. There will also be cooked foods, an animal farm, face painting and entertainment – dancing and singing!
All proceeds will go to the Mission’s Outreach program which supports both local and overseas recipients. If you wish to help the outreach, donations of goods for the fete can be delivered to the Church on Friday 11th October until 9 pm and on Saturday 12th from 7:30 am – no mattresses please.

Vacation Care Program (School Holiday Program)
Everything is organised for another really exciting Vacation Care (Holiday Care) program during the forthcoming holidays. Grace (our wonderful coordinator) and Camp Australia have put together a brilliant array of activities which include incursions, excursions and lots of fun and enjoyable activities at school. A copy of the program and the associated costs are included in this newsletter for your information.

Please be aware that ALL FAMILIES are entitled to a 50% rebate (which is not means tested) plus a further rebate which is determined by your family’s 2011-2012 annual taxable income. If you have any questions pertaining to the Vacation Care program please do not hesitate to contact or see Grace (OSHC coordinator) or me at school.

Wow! It has been a massive Term of Sport at Glen Waverley Primary School. The Term literally “kicked off” with our Year 6 students participating in the Annual SDSSA Soccer Round Robin held at the Eastern Lions Soccer Club. The boys narrowly missed out on the final and the girls (right top) went on to win; meaning they would represent the SDSSA in the Monash-Waverley Region. They played again at the Eastern Lions, making the final, but falling 1 goal short, losing 3 -2 to Mount Scopus, who won most of their games by a minimum of 6 goals; so a great effort by GWPS.

Our Year 6 also headed out to Ashwood College to play in the Annual Winter Sport Round Robin and again was highly competitive having plenty of wins. A tough day playing 4 games against the different schools, but GWPS pushed themselves and improved immensely throughout the season and on the day.

Finally, our Year 6 students participated in the Annual SDSSA Basketball Round Robin. Both the boys (right bottom) and girls teams with very little basketball experience did well and improved a lot by the end of the Round Robin, showing more and more confidence as the day wore on.

A fantastic effort by all involved.

In regards to Physical Education, Term 3, 2013 will always be remembered as the “Clinic Term”. Below is a list of the clinics run at GWPS this Term:
- AFL Auskick for our Year 2 students. GWPS is proud to say that we were the very first school in Australia to run an AFL Auskick clinic, as in the past they were Club based.
- Nunawading Basketball Club & SEDA for the whole school
- SEDA Netball for our Year 3 – 6 students
- Melbourne Heart Soccer & SEDA for our Year 5 & 6 students
- Steve Blundell Tennis for our Year P – 2 students

These clinics, along with Extra-Curricular Sport programs are designed to introduce your child to various sports. All of the students enjoyed all of the clinics.

Year 4 Hoop Time
24 Year 4 students participated in a 10 week Basketball Clinic program that was run by Aussie Hoops. To celebrate the learning, these students played off in the McDonald’s Hoop Time Challenge against other schools. All our sides did quite well, with the boys finishing 4th and 7th and the girls finishing 3rd. Well done to all. Above is a photo of the squad.
Crawford joins fun of NAB AFL Auskick Schools Program

NAB AFL Auskick Ambassador Shane Crawford headed back to school during the week to help bring the game of Australian Rules Football to even more kids.

Crawford visited Glen Waverley Primary School last Monday to help officially launch the NAB AFL Auskick Schools Program, an initiative designed to inspire even more kids to join in the fun of NAB Auskick.

The Brownlow Medalist and TV personality visited classrooms to spread the word about NAB Auskick, before running a clinic for the lucky students at Glen Waverley Primary.

The NAB Auskick Schools Program is being run at nine schools in Melbourne this term with coaches deployed to run clinics over a six-week period.

Schools with a low Auskick participation rate, many of them with a high number of multicultural students, have been targeted to help drive an increase in numbers at NAB AFL Auskick centres and eventually strengthen junior football clubs.

AFL Victoria Participation Growth Coordinator Dale Wain said the program would bring the game directly to the kids, eliminating some of the factors that may have stopped some from attending NAB AFL Auskick centres.

“The volunteers at NAB AFL Auskick centres do an amazing job but some families are just too busy to attend weekly sessions, or their weekend might include other sport that clashes with the times that their local Auskick is held,” Wain said.

“This program, that schools will include as part of their extra curriculum activities, will be introduction to Auskick for some boys and girls.

“Being involved in Auskick has so many benefits such as being physically active and learning social skills, and we feel it’s a great fit for primary schools.

“All the kids love Crawf and he brought a lot of smiles to their faces.”

Wain said that towards the end of the program local NAB AFL Auskick Centre coordinators and representatives from local junior clubs will be invited to attend the school sessions and speak about opportunities for the kids to stay involved with football.”

The program will be facilitated by AFL Victoria Game Development Officers, who all hold an AFL Level 1 coaching accreditation.

After performing I felt: Sad and happy at the same time because I wanted to dance again. My favourite moment was: when I hit the sticks. Next time I would like to: be a real proud performer and actor. By Anuk
On the 6th of September, an illustrator called ‘Mike Spoor’ and an author called ‘Mark Carthew’ came to our school. They introduced themselves. I thought they were awesome. Mark Carthew and Mike Spoor’s books are called ‘Wicked Wizard & Leaping Lizards’, ‘Newts, Lutes and Bandicoots’, ‘Witches’ Britches, Itches & Twitches’ and other books.

I liked Mark Carthew’s new book called ‘The Moose is Loose’. They have produced hundreds of books. I bought a book called ‘Wicked Wizards & Leaping Lizards’. It has riddles, fun jokes and rhymes.

One of the funny jokes is:
Q: What do toads drink?
A: Croak-a-Cola!

GRADE 6 REFLECTION

Dear Diary,
'Every body dance now' I hear that sound echo through me and I think to myself- oh no another school concert, another four hours of pesky little kids yelling and spitting through me. This is going to be a really long, tiring and disgusting day!
I'm starting to think I wish I was Glen, he gets all the attention and all the important people staring at him. He is the most popular attraction in our gang. I don't understand why I'm not that popular - I mean come on I'm nice and good looking and a lot of good voices come through me!
No one really pays much attention to me around here all they do is yell thorough my ears and spit on my face! It's starting to get annoying. I've been doing this job for twenty years - since the day I was made but no one hears me when I say "enough, - enough I'm really sick of it!" The worst thing is that no one ever cleans me! People always clean Glen and his gang and make them look really shiny, but never me!
Anyway I got to go they're starting the concert. I'll write to you soon diary - only the next time I will be full of spit!

Signed,
Mike

WOW, the lights went out. In the still darkness there were small whispers scattering the crowd. I was very nervous. I prayed that nothing would go wrong. I walked into the green room in dead silence. I could sense and feel a tinge of nerves from my classmates. They all had one thing in common……their 'game faces'. We are all pumped up, while we were getting in order. We walked on stage – we were instructed not to look at the audience. The temptation was too much. I looked up. I was shell-shocked. The music started – up, down, up down, to the right, to the left – ROAR. From then on all I could hear was the worlds loudest applause, and cameras flashing from every angle.
We were so proud of each other.
By Pimal – 5/6K

One night in was standing on the stage, trembling in my feet. I was so nervous and worried that my Mum would video me. I can’t bear to look at the audience. So I closed my eyes, but I remembered what Mr Hudson said – the more you are nervous, the more you don’t feel like dancing. When the music started I tried to dance along with my classmates, and I am starting to enjoy it. When the song finished, I went back to my seat – feeling so proud of myself. When I got home my Mum and Dad were proud of me too.

The Kids Corner section of this fortnight’s newsletter has been written by some of the children in 3DJ who have been reflecting on their learning. At our school the children have learning goals and they also complete a weekly reflection piece.

**Siddhi** – Today is our Sleepover and there are going to be lots of activities there, like watching a movie, playing games, eating and sleeping. We are going to stay at school on Friday night and leave on Saturday morning. I am going to be sleepy if we get up early on Saturday.

**Nethini** – this week Shane Crawford came to our school. He rode from Melbourne to Perth and ran from Melbourne to Adelaide. Shane is on the Footy Show. Shane’s lucky number is 9 because the Footy Show is on Channel 9 and he was born on the 9/9/89.

**Haeun** – Today is the Grade 3 Sleepover. I’m so excited! This is the last week practicing for our school concert. I’m looking forward to the concert. This week Mr Warren taught us some games we didn’t know. This week Shane Crawford visited us and in class we learnt about Area.

**Anujah** – this week in PE we had to play a game called Sheep and Fox. How we played: In the game there are 3 foxes and lots of sheep. The foxes try to tag the sheep and if they get tagged the sheep lay on their back on the ground. The other sheep can then roll them over and they are back in the game. The most exciting thing this week is the Grade 3 Sleepover. We are going to have pizza for dinner. Also this week in Art, we completed the snake mural.

**Ow litha** – this week we are going to have a Grade 3 Sleepover. I am really excited. I can’t wait until then! I wonder what we are going to do and what we are going to eat for dinner. I hope they have ice cream! We had library but I didn’t have my book, but I went into the Green Room – that was cool! They took videos of us. When we had LOTE we did a poster about Time. We went to the hall because a Hawthorn player named Shane Crawford – it was pretty cool!

Get Safe for Summer!
Spring is here, the sun is out, and summer is just around the corner. That means holiday time, fun and games often based around water at pools, the beach, rivers and lakes. We would like to give all children at Glen Waverley Primary School the chance to get safe for summer by having a free swimming / water safety lesson at Kings Swim Centre in Wantirna.

At Kings we know how much fun children can have in the water, and we believe all children deserve the chance to fully enjoy water activities. As part of our community support program we want to offer the students at Glen Waverley Primary School a free swimming lesson at a time of your choice to help build their confidence, develop their skills, and increase their water safety.

To take up this offer simply call 9800 2555, select a day and time that suits for your class, and quote the code "Glen Waverley Primary School safety program". We hope this gives your whole family a head start to enjoy summer fun by the water this year.
