October 30th
SMART8 – Lesson 7
Yrs. 3 – 6

PRINCIPAL’S REPORT

Dear Members of the Glen Waverley Primary School Community

Wow, isn’t it amazing to think that we have reached the end of Term 3? Where has the year gone? The past fortnight has certainly been very busy with so much being achieved throughout our school. As adults our world seems to travel at a rapid rate of knots and when we sit back to reflect on the year it really is amazing to not only think how fast it has gone but also what we have accomplished.

I would like to take this opportunity to thank the entire school community for all of your support in ensuring the children are prepared for school each day. It is very obvious that our students (your children) thoroughly enjoy attending our marvellous school and when this occurs, learning is optimised.

Please ensure you have restful and safe two week break and I look forward to seeing everyone on Monday 8th October at 9 o’clock for our first assembly for Term 4.

Farewell Mrs Paine

It is with a great deal of sadness that we farewell Mrs Pauline Paine (nee Stove) who is leaving our school and will be teaching at Wattle View Primary School. Pauline has been a member of the Glen Waverley Primary School family for approximately 4 years and has held various roles and responsibilities. We all wish Pauline well and look forward to hearing from her in the future. Pauline is being replaced by Mr Aubrey Hudson for the remainder of the year.

Facilities Update

Sports Field and Car Park Redevelopment – it really is wonderful to see how this project has developed throughout the term and it is also very pleasing to note that the landscaping component is almost complete. Currently we are obtaining quotations for asphalt, line marking and fencing and hope to have this completed before the end of the year.

2013 Year 2 Classrooms – progress with this project has also been very good. The painting and installation of pin boards have been completed and over the holidays we will lay the new carpet.

SCHOOL LUNCH ORDERS

Lunch orders are available from school five days a week
The service is provided by Gourmet Delish
9808 9838
Menus and ordering procedures can be obtained from the School Office.

UNIFORM SHOP

Situated in the West Wing on the School Grounds
Open Monday between 3.00 – 4.30 pm
Closed Public Holidays and School Holidays
Please bring your own bag for purchases as we are an environmentally friendly school
Orders may be left with the office – these must be in an envelope marked with the child’s name and grade together with payment, correct monies are appreciated.
PRINCIPAL’S REPORT (Cont’d)

Parent Education Courses
A reminder that we have two excellent learning opportunities for parents available at the moment.

1. Planning for Personal Success and
2. English and Business Management Courses.

On Saturday October 13th from 10:00 a.m. to 1:00 p.m. Gary Ryan will be hosting a special event for our school community. He will facilitate a three hour version of the Planning for Personal Success program which is valued at $250 per person but he is subsidising $200 of that fee which means that it will only cost $50. As Gary believes in providing families with value (he has five children himself) he is offering this seminar to couples for the same $50 fee! In other words, both parents will be able to attend for just $50, a saving of $450 AND childcare will be provided at school at no extra cost (also being provided by Gary).

To register please access the following website: http://orgsthatmatter.com/P4PS-GWPS.html

English and Business Management Courses:
One of our parents, Asha Prakash, works for the Universal Institute of Technology and would like to run free English and Business Management courses for families which are funded by the Government – please refer to the our school newsletter (issue 13, page 7) which is available from our school website: www.glenps.vic.edu.au

If you are interested please contact Asha on 0400 662 562 or via email at: asha@uit.edu.au

Making a Difference
As our students learn more about the world in which they live in, it is very evident that they really want to make a difference to other children who are less fortunate than us in Australia. An example of this was the recent Market Stall held by the children in Year 3 and 4. After learning that some children in Africa walk up to 6 hours a day to obtain fresh water and are subsequently unable to go to school, they decided to “make a difference” and raise money for a water well. Congratulations to the entire Level 3 Team for their fabulous work in raising $720 and thank you to our school community for supporting this wonderful cause. We look forward to hearing all about the new well in the near future!

Making a difference is also possible at a local level as was evident last Friday when we raised $230 to help Izzy and Sarah’s families pay the costs associated with the girls representing Victoria in Taekwondo and Cricket respectively. Both families will soon receive a cheque to the value of $215 (half of the funds raised on Friday) and also $100 from School Council. On behalf of the Weber and Combridge families, thank you to our wonderful school community for your generous assistance!

Enrolments
Once again, I would like to remind families with children who will be beginning school in 2013 that enrolments are closing rapidly with only a very small number of positions available as places are filling fast. Hence I strongly encourage you to ensure you return your child’s enrolment form to Jenny or Pam as soon as possible.

We also ask that members of our school community assist us by informing any of their neighbours of the enrolment procedures and direct them to the office to collect an enrolment form or our school website – www.glenps.vic.edu.au. School tours are available every Tuesday morning commencing at 9:30 and also upon request. Please call the school on 9802 9938 to book a tour.
Outdoor Education Programs
Over the past month our outdoor education program has really been in full swing. The Year 5 camp has been held and recently the Year Prep – Two “Late Night at School” and the “Year 3 Sleepover” were also held and this week the Year 6 children are on camp.

Year P – 2 Late Night
The inaugural Year Prep – Two “late night” was a wonderful event and a huge success as the children were able to remain at school until 8:30 where they thoroughly enjoyed the activities, movies and pizza! A sincere thank you to the Community Relations Committee, the numerous parents who assisted and to all of the staff who remained to assist – your efforts are really appreciated!

Year 3 Sleepover
The annual Year 3 Sleepover was held last week and once again was thoroughly enjoyed by all. The Year 3 children had a wonderful time completing a number of introductory camp activities as was evident by the huge smiles on their faces throughout the entire experience. Once again, a sincere thank you to the staff who implemented and assisted with this program – Ms Callas, Mr Hudson, Mrs Clugg, Mr Knott, Kay and Soula.
PRINCIPAL’S REPORT (Cont’d)

Year 6 Camp
The Year 6 children are currently in Maldon and have enjoyed a wonderful week away. They have experienced so many wonderful things such as a long walk to Mt Tarrangower, bicycle ride to Muckleford, walk to the famous lolly shop in Maldon, yabbying and an abundance of activities on the camp site such as minigolf and archery. The staff and children are due back tomorrow afternoon and we look forward to sharing their experiences and stories with everyone next term.

Student Leadership Day
On Thursday 6th September the students in our Student Leadership Team held their third leadership development day with other school leaders from Glendal and Mt. View Primary Schools. Throughout the day they had the opportunity to reflect on their leadership skills and aspirations and also meet legendary Melbourne Tigers Basketball player Warrick Giggey. Warrick played 450 NBL games and is the only player to play so many games without shooting a “3 pointer”. Warrick spoke about the commitment it took to accomplish all of which he has and the importance of trying your very best at all times. It was wonderful to see Warrick remain and have lunch with the children as well. Shane and Nidula have written about the experience and it is featured in the Kids’ Corner section.

Artist in School’s Program
It is absolutely wonderful to see how much the children have enjoyed working with artists Yaping and Di and the marvellous high calibre of work they have produced. Congratulations to everyone involved with this program and thank you to Ms Rich for her marvellous organisation!

1:1 iPad Information Evening
Thank you to the Year 4 and 5 families who were able to attend last week’s information evening for an exciting new initiative for our school – the 1:1 iPad program for all 2013 Year 5 and 6 children. A reminder to ensure the “blue” notice is returned to your child’s teacher by Friday 19th October.
Reminders for tomorrow:
A few reminders for the final day of term (tomorrow):
- tomorrow is a free dress day – no cost to participate
- our final assembly will commence at 2 o’clock
- dismissal is at 2:30
- after school care will commence at 2:30

At the assembly we will present the Kiwanis and Principal Learning awards for the term.

CONGRATULATIONS TO THE FOLLOWING STUDENTS WHO RECEIVED A PRINCIPAL’S AWARD RECENTLY:

2CM: Hannah for writing a beautiful letter and Klein for an amazing improvement with his spelling and writing skills
2SY: Daniel for writing a wonderful letter and Simar for winning the Public Speaking competition Aksaya & Vigyan Made a fantastic movie with movie maker
3DJ - Dyson for writing a fabulous story which is featured in the Kids’ Corner section and Sahib for being a wonderful friend
4LC: Parsa and Neev for being wonderful helpers throughout the school
5DK: Sneha and Cassie for creating wonderful picture story books, Sameer for being a terrific helper, Senudi for creating an amazing poster about the Great Barrier Reef, Hiruni for receiving a prize in the Public Speaking competition and the whole class for assisting in moving 1,000 carpet squares!
6ND: Stephanie for being demonstrating outstanding honesty
BIRTHDAYS
Happy Birthday to the following students who celebrated their special day during the second half of September and first half of October

0LG: Dihein and Emily
0JE: Ryan, Vicki, Karina and Dinil
12B: Jayden, Millie and Srijit
1KR: Shubham
2SY: Tharushi
3DJ: Jennifer, Sam, Aislinn, Vidura and Paul
4AC: Rish and Tara
4LC: Parsa, Zheng and Sreya
5JA: Rajat, Minuri and Maddy
5DK: James, Senudi, Benaiah, Amr, Kelvin and Sameer
5SB: Dinil and Thisari
6PS: Adeepa, Shireen, Jack and Nikita
6ND: Shalani and Jeremy
6RL: Imasha

Wishing everyone a safe, relaxing and happy school holidays,

Frank Catalano
Principal

The Kids Corner section of this fortnight’s newsletter has been written by Dyson (3DJ) and our ICT Captains Shane and Nidula.

The Cool Max (by Dyson)

“You told me Max was big and cool,” said Polar Bear.
“He is big and cool,” said Max.
“So why is he so small?” said Polar Bear. I shrank him with my shrinking gun.
“Why did you?” asked Polar Bear,
“He was naughty and if you are naughty too I will do that to you!”

The bear ran out of the house and never came back.

The End
On the 6th of September, the GWPS leadership team held a leadership day at our school. Two other schools participated with us. They were Mount View Primary School and Glendal Primary School. Miss Dale welcomed the other schools. To start off the day the GWPS leaders toured the leaders from the other schools around Glen Waverley Primary School. After the school tours we went back into our tour groups and participated in an activity. The activity was called “Tower Construction”. The rules for the tower construction game were: verbal communication was not allowed, we had 5 minutes of planning time, 2 minutes of talking time and 10 minutes of construction time. Verbal communication was not allowed which was a challenge for some leaders. The award went to Jimmy’s team for the best looking tower and to Shane’s team for the best constructed tower. We all had a fun time constructing towers. After that we reflected on the activity. Then the schools worked on their Leadership Projects.

After recess, we continued working on our Leadership Projects. Mrs Bailey then scheduled some activities for us. The first one was a Cheezel race. All the leaders received a straw, and we then had to transfer the cheezel to another person using the straws. We were not allowed to hold the cheezel in our hand. Oliver’s team won and so did Ha-Bin’s team. The next activity was where we had to transfer water from a bucket and then put it in your team’s bowl. You had to use a teaspoon to transfer the water. Again, Oliver’s team won. We went back to the hall and then Warrick Giddey (aka. Wazza from the NBL’s Melbourne Tigers) came to talk to us about goal setting. People asked a lot of questions and it was good to hear what Warrick had to say. He also said how he coped with the Melbourne Tiger’s (basketball team). He told us how he wanted to be a Garbo, a life saver and rugby league player. WE HAD FUN! After that motivational talk, Warrick joined us for Pizza.

After lunch, we continued our leadership project’s and presented them. Also, a big thanks to Miss Dale for planning Leadership Day!
20th September, 2012

ASSISTANT PRINCIPAL’S REPORT – Darren McDonald

As I moved through the Prep rooms last week it was wonderful to see how engrossed they were in their learning activities and how enthusiastically they approach their work. The prep children have grown so much, made so many new friendships and share a happy and secure relationship with all their teachers. It really is fantastic to see their development at GWPS.

On Tuesday 4th September our Preps for 2013 made their first visit to GWPS. They had a great morning and we were delighted to have them here for the first time. It is a very exciting and sometimes daunting time for our new students and their parents but it went very smoothly and we look forward to our next session in Term 4.

You will no doubt have been following the press reports on the Federal Government approach to the Gonski. I don't wish to get into a debate but I would like to talk about the push to move Australia into the top 5 education jurisdictions in the world. We all need to have aspirational goals to which to aspire and I do subscribe to this one of improvement.

I do feel that perhaps our Prime Minister might have stopped for a moment to reflect on the positive of where we are currently. Australia is in the top 10 of the world, way ahead of many developed economies such as the UK, Germany and the USA, certainly a reason to celebrate. It is just as important to affirm as it is to challenge.

The Government agenda of school improvement is also very laudable; however research shows that 60% of learning outcomes are determined by the so called student factors; genetics, socio economic circumstance and health. So the reality of school improvement is around early intervention of these factors and then teacher quality.

Much of the work that we do with our staff at GWPS is around the issue of teacher quality, through the provision of high quality professional learning and the use of strong school based teaching practices aligned across the school. So let's get behind the idea that Australia can be the best and ensure that funding applied by the Federal Government is clearly targeted to areas of need addressing both the student factors and teacher quality.

Holidays! What shall we do?

Parents often ask me how they can specifically help their children to further their learning and with holidays just around the corner I have a number of suggestions. There are many things that you can do at home to promote learning and address areas of their learning requiring some focus. Often, the best thing you can do for your child is to spend time with them and enjoy activities together. This allows for language development as you use complex vocabulary, and enables general knowledge to grow as you identify, question and inform your child about things going on in the world around them. Children need a break from routine school work in the holiday period so take the opportunity to use different teaching and learning activities. Here are a few suggestions:

- Play board games. Children need to learn to take turns, to count on from the roll of a dice and importantly they need to be a good loser. Games of chance are important for that very reason. Try and remember some of the games you played as a child and take your family on a trip down memory lane. Older children enjoy learning card games and can develop terrific skills in strategy and logical thinking in the process.
- Read books, magazines, maps (if you are taking a trip), websites, ebooks, newspapers and signs. As 2012 is the National Year of Reading, the local library is a great place to visit and if you haven't been to the State Library lately give yourself a treat.
- There are many places around Melbourne that are worth a visit over the school holidays. A day in the city can provide a range of places including ACMI (Australian Centre for the Moving Image) that has daily screenings of short films and a variety of multimedia workshops for children. Following this day trip your children could design a brochure, create an ipad presentation or write a review of the place you visited.
- Don’t forget that children love to make things. A roll of masking tape, and a collection of discarded boxes, cost little and give hours of pleasure. Kids can cook, draw, design, knit, garden, sew and make cubbies. All of these activities are very beneficial to their learning, allowing for use of fine motor skills, planning and measuring skills.
Year 3 Sleepover

On Friday 14th September Year 3 children stayed at school for a special sleepover with their friends. Including delicious snacks, football, games, pizza, hide and seek in the dark and movies the night was a huge success. Here are some favourite memories that we hope will stay with the children for a long time.

I loved the Tower competition where we had to build the tallest tower out of one roll of masking tape and 20 sheets of paper without talking. Mitchell won and we got mega house points!”- Fahad

The most popular activity seemed to be the hide and seek in the dark!

“My favourite part about the sleepover was when we had to find the teachers in the dark.”- Chathuni

“We got to find our teachers in the dark with our torches. It was so much fun!”- David

“My favourite part was when we were playing hide and seek and the girls screamed so loud. I also liked the Zinger hunt!”- Nitish

“It was funny to find the teachers in the dark. Ms Callas was lying in the sand pit and when she stood up was covered in sand!”- Eujin

There was so much yummy food!

“We watched Ice Age and ate Popcorn!”- Vignesha

“I liked when we ate pizzas best.”- Rituraj
Glen Waverley Primary School had a brilliant time last week watching the Oz Opera performance – The Magic Flute. The students enjoyed the experience immensely and were impressed by the strong and powerful voices of the opera singers. The performance had many highlights which the students have enjoyed chatting, writing and drawing about since watching it. All in all, The Magic Flute was a fantastic experience for all students who attended.

Please take a moment to look through some colourful drawings below from 1KR, and recounts from 2CM about the performance.

By Dini, 1KR

By Alysandra, 1KR

By Anthony, 1KR

By Jasmine, 1KR
On the 12\textsuperscript{th} of September I went to see the Magic Flute. The part I liked was when Papageno sat on Miss Evan’s lap. The funny part was when prince Tamino shook his bottom. The characters I liked were Princess Pamina, the Queen of the night and Papagena.

One of the other parts I liked was when Prince Tamino said “Where am I?” then Papageno said “You are here.” and Tamino said “Where is here?” and Papageno said “Well it’s not there or there it is here.” Tamino said “What is the name of this place?” Papageno said “Glen Waverley Primary School of course!” It was so funny and everyone laughed joyfully.

Near the end Prince Tamino and Papageno had to take the test where they had to be quiet. Then Pamina came out and tried to talk to Tamino but Tamino was doing the test so he could not say anything and Pamina did not know. At the end they lived happily ever after.

\textit{By Tiffany, 2CM}

On September the 12\textsuperscript{th} of 2012 we went to the halls and we watched The Magic Flute. First, we saw Tamino the prince fighting the monster. The monster had rainbow scales and his face was pitch black.

Next, a man called Papageno appeared on the stage and sat on Miss Evan’s lap! Then, Papageno lied about freeing the monster. However, the servant stopped the monster.

\textit{By Leo, 2CM}
The Digital Excellence Program (DEA) is an online program to assist and extend students’ ICT skills. Our students monitor and drive their own learning through this program which is integrated into all aspect of their learning. Once they have completed tasks they receive a digital excellence badge to keep forever.

The program offers them the opportunity to further their skills from home by logging on to the DEA website. This can be accessed via Glen Waverley Primary School’s website. Achievements in ICT will be celebrated fortnightly through this newsletter. Here are some students who have achieved badges in the last fortnight.

This term, the students involved in the chess program have really excelled in learning new skills and strategies. It’s been fantastic observing the students enjoy the game whilst socialising with all ages. The coaches have been most impressed with students applying new skills to their games and trying their personal best in all situations. Congratulations to the following students, who received an award this term for their outstanding efforts in the program.

**Lunch Time Beginners:**
- **Gold**- Vinuka 1KR
- **Silver**- Tharushi 2SY
- **Bronze**- Diniru 4LC (Medal will be given next term.)

**After School Beginners:**
- **Gold**- Dineth 1KR
- **Silver**- Daniel 2CM
- **Bronze**- Tanay 1KR

**Lunch Time Advanced:**
- **Gold**- Keziah 2CM
- **Silver**- Robin 5DK
- **Bronze**- Ha-Bin 6PS (Medal will be given next term.)

**After School Advanced:**
- **Gold**- Oneli 6ND
- **Silver**- James 6ND
- **Bronze**- Sameer 5DK (Medal will be given next term.)

www.triathlonkids.com.au
Limited Spaces!!
Waverley Softball Association - School Holiday Softball Batter Up Program

October 1 - 4, 10am-12pm daily
$60 per child

COME & JOIN THE FUN!

The Batter Up school holiday program is aimed at primary aged children wanting to learn basic softball skills, play games and have lots of fun in the process. The program is run by experienced Waverley softball club coaches and your child will learn softball skills like throwing, catching and hitting a ball in a friendly atmosphere, at facilities designed for this sport. Batter Up caters for kids new to the game but also those who've played some softball, baseball or t-ball through school. And of course it gets your bored kids out of the house and away from the TV for a few hours too!

Check the Softball Batter Up website for more information: www.softballbatterup.com.au
Email: batterup.waverley@gmail.com

EVERYONE BATS, EVERYONE BOWLS, EVERY WEEK

Come and join us at the Glen Waverley Junior Cricket League in 2012/13!

We cater for boys and girls between the ages of 5-12.

All the action takes place at one location at Larpent Reserve in Hammence St, Glen Waverley

Email: gwjcricket@gmail.com Web: http://gwjcl.vic.cricket.com.au Ph: 9806-0646 (AH)

If you are looking for Under 13’s right through to senior cricket then join our senior partner, the Monash Cricket Club!

Phone: 0403 264 277
LITTLE ATHLETICS WAVERLEY

PO Box 12, Glen Waverley 3150
www.littleathleticswaverley.org

GENERAL INFORMATION

We cater for athletes from u6 to u16 (approx Prep to Year 10). Please note you MUST be 5 years old to join Little Athletics. Age groups are taken as of 30th September 2012.

Weekly Competition events are held on our grass track at Central Reserve, Glen Waverley each Saturday morning (with a few Thursday Twilight). 

SUMMER SEASON
The summer season of Little Athletics runs between October 2012 and March 2013.
The program starts at 8:45am on a Saturday and runs through to around 11:45am (11am for the u6-u8).

In addition to the regular Saturday morning competition, athletes can enter in the Regional/State events and Open Days.

2012/13 FEE STRUCTURE
Early Bird Membership Fees (Summer & Winter): $110 for the first child, minus $10 each child thereafter. Registrations MUST be received by 11:59 pm 5th October 2012 to receive ‘early bird’ rates
Regular Membership Fees (Summer & Winter): $120 for the first child, minus $10 each child thereafter. Registrations received between 6th October 2012 and 11:59 pm 31st December 2012
Post-Christmas Fees (Summer & Winter): $70 each child.
Registrations received between 1st January 2013 and 11:59 pm 31st March 2013
Winter Fees (Cross Country Only): $60 each child.
Registrations received between 1st April 2013 and August 2013
Online entries will only be accepted! Please refer to the website for more information.

REGISTRATION DAYS
Saturday 22nd September 10am – 12pm
Sunday 30th September 10am – 12pm
Computer access will be available to take registrations on the day/s.

COME & TRY
Two FREE Come & Try sessions are allowed for the Summer Season and one for the Winter Season each year. (These are available only for “new” members)

TRAINING/COACHING (optional ... but highly recommended)
Training is held on Monday’s and Wednesday’s at approx 5pm. Our coaches all have Level 1 and above qualifications.

WINTER SEASON (Cross Country)
The winter season is our Cross Country Season. This starts in April and finishes in August with the State Championships. Kids that run cross country gain a head start over their schoolmates when it comes to Primary Schools cross country trials etc...being used to running the long distances!

MORE INFORMATION
For more information on Little Athletics Waverley, what we do and what’s involved, please visit our website (in particular the “What is Little Athletics?” section) or contact the President or Registrar.
