Dear Members of the Glen Waverley Primary School Community,

Welcome to another edition of our school newsletter in which we share what is occurring throughout our wonderful school community. As per usual, there is so much to enjoy and celebrate!

School Disco
I think it would rather remiss of me not to commence this fortnight’s newsletter with some comments about our wonderful school disco which was held last Friday evening! Wow, what a fantastic time was had by everyone and it was absolutely wonderful to see the children (and some staff and parents too!) dance away to the latest tunes.

A sincere thank you to the Community Relations Committee for all of their hard work in preparing for the event, the numerous parents who assisted in various ways, the staff who were able to remain for the event and to our wonderful students for your endless amount of energy, fun, passion and for supporting our school disco! Well done and thank you everyone!

Facilities Update - Our New Classroom
I am very pleased to report that work has now commenced with the new classroom! The additional classroom and storage space is being built within the Early Learning Centre and will make a considerable difference to this area of our school. Included are a few photographs of the “framing stage and we look forward to sharing additional photos as they become available. Wow, how exciting!!!

Important Dates For Your Diary

**NOVEMBER**
14th CSIRO Incursion  Years 1 & 2
14th Chess Lesson 12  Participants
15th Summer Sport Round 5  Year 6s
15th Level 3 Assembly  Years 3 & 4
18th 2014 Sch Captain Candidate Speeches Year 5s
19th SMART8 Session 6  Years 3 & 4
21st Chess Lesson 13  Participants
22nd 2014 House Captain Candidate Speeches
25th ACMA Cyber Safety Incursion Evening  
For Parents of Years 5 & 6
26th 2014 Foundation Transition Session
28th Chess Lesson 14  Participants
28th 2014 New Families’ Information Evening
29th Picnic on the Oval  Whole School
29th Levels 1 & 2 Assembly  Yrs Prep,1,2

**DECEMBER**
2nd Glen Waverley Secondary College Transition  Year 6s
3rd Christian Religious Xmas Concert  9.30
3rd Movie Fesitival  11.30
5th School Choir Performance
6th GWPS Has Got Talent  Lunchtime
9th 2014 School Leaders Announced
10th 2014 School Leadership Day

SCHOOL LUNCH ORDERS
Lunch orders are available from our service provider Gourmet Delish five days a week. Ordering is done through an online service, details of which are available on our website. http://www.studentlunch.com.au/Ordering_online.html

UNIFORM SHOP
Situated in the West Wing on the School Grounds
Open Monday between 3.00 – 4.30 pm
Closed Public and School Holidays
Please bring your own bag for purchases as we are an environmentally friendly school
Orders may be left with the office – these must be in an envelope marked with the child’s name and grade together with payment, correct monies are appreciated.

PRINCIPAL’S REPORT
2013 Year Book
The children and staff have been working extremely hard to complete the various pages for this year’s Year Book which is looking terrific and will be a wonderful memento for many years to come. Recently we asked the Year 5 and 6 children to submit designs for the front cover. As per usual, we had so many wonderful entries with the selected entry designed by Senisa, Senudi, Aisha and Thilini – congratulations and well done girls on having your entry selected and thank you to all of the other fabulous children for your time, effort and contribution. A display of all of the entries is in the main corridor and opposite are a few photos of them. Well done and thank you everyone!!

Enrolments
Once again, I would like to remind families with children who will be beginning school in 2014 that enrolments are closing rapidly with only a very small number of positions available as places are filling fast. Hence I strongly encourage you to ensure you return your child’s enrolment form to Jenny or Pam as soon as possible.

We also ask that members of our school community assist us by informing any of their neighbours of the enrolment procedures and direct them to the office to collect an enrolment form or our school website – www.glenps.vic.edu.au.

School tours are available every Tuesday morning commencing at 9:30 and also upon request. Please call the school on 9802 9938 to book a tour.

During Term Four we are preparing for the 2014 school year and would really like your assistance in providing us with as much information as possible regarding your intentions for next year. **If you believe you will not be returning to Glen Waverley Primary School in 2014 could you please write me a short note indicating so.** As I am sure you would understand, we need to commence the process of selecting staff and allocate students to classes – your cooperation with this issue is greatly appreciated.

2014 School Fees
I would like to thank those families who have already settled their 2014 school account and remind those who are yet to do so that if they are settled by the final school day of the year you will receive a $10 discount. We would really like to have as many accounts as possible paid by this date so families will be able to collect their book bags and commence labelling and covering the contents. The 2014 Book Bags will be available for collection from **Monday 25th November.**

Accounts can also be paid and Book Bags collected from **Monday 27th January.**
Meet (one of) Our New Scientists – “Scientists in Schools Partnership”
I am extremely pleased to report that recently we applied to be part of the “Scientists in Schools” program where schools are partnered with a scientist who will work with the children and staff to enhance science education throughout the school. Our application was so successfully that not only were we partnered with one scientist; but two!

Our scientists are Wei Yen Loh, a first year PhD student who currently works at the Florey Department of Neuroscience and Mental Health and Dr Mark Boland who is the Principal Scientist at the Australian Synchrotron. Wei Yen and Mark’s areas of specialty and expertise vary considering and will bring a wealth of knowledge to our school which will undoubtedly enhance our school’s science programs and the children’s (and staff’s) science knowledge.

Wei Yen recently visited our school and will return on Monday 25th November to conduct a short presentation at assembly and then spend the rest of the morning in classrooms assisting with various science lessons. Included is a photograph of Wei Yen, with our Science Leaders Ms Dale and Mrs Baizanos as well as some of Year 4 students.

We are extremely excited to be part of this program and cannot wait for Wei Yen and Mark to commence working with us!

Warm Weather
As everyone would be aware, the weather is beginning to warm up hence we strongly encourage all of the students to ensure they bring a drink bottle to school, some sunscreen and naturally their sun smart school hat. A water bottle on the desk will enable the children to have a quick drink and alleviate the need to leave the room. If a child does not have a hat at school they will be required to play in the shaded areas.

2014 Student Leaders
It is quite obvious that the process to select the 2014 student leaders has certainly begun with “vote for me” posters in the main corridor and speeches at assembly planned for Monday 18th November. I would like to wish all of the children and their families the very best of luck and also thank them for being prepared to nominate and complete the election process. We look forward to announcing the 2014 school leaders at the assembly on Monday 9th December.

Curriculum Update – Life Education Van
It has been wonderful to have Kathy and the Life Education Van in our school over the past week. Following is an overview of the concepts which were covered:

- **Foundation (Year Prep)** focused on “Harold’s Surprise” that covers:
  - seeking help from trusted adults
  - benefits of physical activity
  - identifying safe and unsafe behaviours and environments

- **Years 1 & 2** students focused on “Harold’s Heroes” that covers:
  - local environmental and health issues including pollution/passive smoking
  - issues around individual need for medicines and their safe use and storage
  - emergency (drug) procedures
  - safe and unsafe behaviours and environments
Curriculum Update – Life Education Van (Cont’d)

Year 3 & 4 students focused on “Harold’s Diary” that covers:
- bullying, feelings and support networks
- managing transitions in life and developing coping strategies
- healthy food choices
- defining a drug
- safety with medicines
- benefits of an active lifestyle

Year 5 & 6 students focused on “It’s Your Call” that covers:
- short term and long term consequences of a range of legal drugs
- factors that influence health and behaviour e.g. friends, media, family, digital communications
- laws relating to the sale, advertising and use of a variety of legal drugs
- skills and strategies to deal with unsafe situations and social dilemmas
- safe and appropriate use of communication technology

Parent information sessions were held on two occasions – a sincere thank you to Kathy (Life Education Teacher) for organising these and to all of the parents who were able to attend. Also thank you to Mr Knott for overseeing this extremely important component of our school’s Health Education program. Below are some of the children’s reflections about their experience in the Life Ed Van:

Rituraj
The most important message I will remember is always read the instructions and warnings before using a medicine. Another message was to make right choices when dealing with bullying. One new thing I learnt was that medicines like pain killers only cover the pain, don’t cure it. The part I enjoyed the most was when Kathy brought out Harold the giraffe to meet us. I also enjoyed the various activities.

Krittika
The most important message I will remember is when a friend has an asthma attack how to help them. One rule is take them to a teacher or the sickbay. One new thing I learnt was how some chemicals in the medicines do not help the body at all. The part I enjoyed the most was an activity where we had to write about a girl’s feeling. Kathy gave a picture of how the girl was bullied. Life Ed was a great experience.

Eujin
The most important messages I will remember is:
1. Do not bully people and gossip about other people.
2. Do not use the medicine that says that kids are not allowed to eat that medicine. (If you are kids.)
3. Read warning before you eat the medicine.
The part that you enjoyed the most…
1. Watching the video of friendship.
2. Writing a story about a person that got bullied with other people.
One new thing that I learnt was……about medicines. I learnt that there are all sorts of and lots of warnings.

Venitha
The most important message I will remember is …
First read the warning or instructions before you use it and look at how old it is (it may be out of date). If you take too much medicine you will get a bigger problem. If the packet was broken don't use it.
One new thing I learnt was …
Respect your friends at lunch and recess and don't bully.
The part I enjoyed the most was...
Working together with my friends, sharing our ideas and writing how to respect your friends in the playground.
Melbourne Cup Holiday
I hope everyone enjoyed the Melbourne Cup holiday and were able to spend the day with family and friends. I had the pleasure of teaching 1MB the day after “Cup Day” and they wrote some amazing pieces about their day. Below are some examples of their wonderful writing!

Rasna
On Tuesday I watched the Melbourne Cup and I won all three numbers! I also had a BBQ which was delicious and very tasty! My cousin came and we played lots of games together. I enjoyed playing with my iPad because I have lots of games on it.
My brother chose number 24 it was winning but then it came last. I went for a ride in my dad’s car, it was fun. I also went for a walk and during the walk I got very tired so I then had a sleep. I played cricket with my dad and we were squirting my friends with water which was lots of fun as well. I also enjoyed playing cricket.

Riding My Bike – Karina
Yesterday I rode my bike and I rode faster than my brother because I practice more. My bike is purple and middle-sized. My favourite colour is purple. My bike has two brakes and to stop you have to press them at the same time. That’s a hard thing to do. I chose my bike because it is purple.

Melbourne Cup - Dehein
Yesterday I watched the Melbourne Cup on TV. It was my first time. Later I had an ice cream called a Drumstick it had peanuts, chocolate and vanilla cream. After that I played tennis with a tennis racquet and a tennis ball. It was a very hot day and I was sweating so much but it was also a very good day. In the Melbourne Cup Fiorente won and he got a big trophy. He was running really fast. The Melbourne Cup was held during the Spring Carnival where the horses and jockeys race all day. The Melbourne Cup was awesome!

Melbourne Cup – Ramike
Melbourne Cup day was a holiday. I went to a friend’s house who is in Year 2. We played hide and seek and the little sister could count up to ten but we wanted her to count up to twenty. After a while we went home and I played in my sandpit. Then I went inside and turned the TV on to watch the Melbourne Cup. Then I went on a bicycle ride around the block.

Melbourne Cup – Binu
Yesterday I watched the Melbourne Cup on TV. It was fun and I ate something because I was hungry and I kept watching and when it was finished I went outside. I ran around from 5:30 until 7:40. I ran so much that I had a drink and then some dinner. Then I watched TV again and I fell asleep.

Melbourne Cup – Karis
Yesterday I was at home. I rode my bike around the garden. Next my friend came to play with me and she brought her bike too. Then I hid in my tree and she couldn’t find me. Then I said, “hello” and she found me. We then got on our bikes and scooters and played on the grass. Next we had a BBQ at my house with my friend and then I had a bath. I also ate spaghetti. Then we watched Charlie and the Chocolate Factory and it was so funny because Willy Wonka always crushed things. A girl ate some bubble gum and she looked like a big fat blueberry. One of the boys likes to eat chocolate and then he fell in the big pot of chocolate.

Melbourne Cup Day – Harani
Yesterday I went to the city because we were showing my grandma around because she came on 19th October. We were about to go to the Sky Deck but my dad forgot the tickets. For lunch we ate butter chicken and rice. It was yummy then after lunch I had chocolate ice cream. We travelled by using the visitor bus. I have been there three times already. We played computer games at the Museum. For the first time I packed my own bag which was heavy. When I was bored I listened to some cool music on my mum’s old phone. When we got home I had a bath because it was hot and I was exhausted.
CONGRATULATIONS TO THE FOLLOWING STUDENTS WHO RECEIVED A PRINCIPAL’S AWARD RECENTLY:

1MB: Sonal for making excellent choices, Rasna, Akshala, Harani, Karis, Binu, Dehein, Karina and Ramike for fabulous writing and Branaa for outstanding reading
2CW: Abhijit for being very generous and Shubham for being a wonderful friend
4AJ: Kelvin, Nicholas, Chris, Mahad and Elizabeth T for being really responsible members of our school community
56K: Rehan for writing a fantastic flip book
5JT: Channa for creating a wonderful poster about different forms of energy and Kin for being a great friend

BIRTHDAYS
Happy Birthday to the following students who celebrated their special day in the first half of November:

Prep LG: Alfred  Prep LT: Simran and Abhirup  1MB: Randiv
2CB: Ishwari, Soobin and Zaahid  2CW: Pranjal and Trevin  2RL: Serandi
3KC: Yang  3TA: Uvindee and Ian
4AJ: David
5JT: Devraj and Neev  5SR: Praveen  56K: Olivia M
6ND: Nadeeja  6SY: Senoli  6LT: Lahiru, Steven, Kevin, Rutika, Winnie and Martin

Wishing everyone a safe and happy fortnight,

Frank Catalano
Principal
The Kids Corner section of this fortnight’s newsletter has been written by Sanchna (4KB) and Akshala (1MB). The girls wrote about how their respective families celebrated Diwali.

**Diwali - Sanchna**
On Sunday I celebrated Diwali. I celebrated with two of my family friends. My mum put candle lights around the house before our friends came over. When my friends came we all went into the garage because my mum, dad, uncle and aunty were talking too loud and we could not hear what we were saying to each other. At four or five in the afternoon we went inside for a bit. Then my friends left and that was the end of the celebrations.

**Diwali - Akshala**
On Tuesday my family went to a movie that is part of my religion. It is called Abraham in my language that means, beginning. It was at Knox City. Lucky I like my religion movies. My family didn’t have any tickets however we didn’t need some as we had a notice to scan. My dad always goes to sleep at the movies but this time he didn’t. Most of the people came to celebrate Diwali because they put the show on for Diwali. I didn’t sleep throughout the whole movie because I was wide awake smiling cheerfully and gleefully. I understood the whole movie. It was interesting and a bit funny. The movie took hours and maybe 2 and a half hours. My brother was a little greedy because he ate most of the popcorn. I enjoyed the movie!

**Diwali**
The 'Festival of lights' is one of the biggest and grandest festivals of India. The word Diwali means 'row of lamps'. It is one of the main festivals that falls under Hinduism. It's celebrated to commemorate the victory of good over the evil, light over darkness and knowledge over ignorance. The reason of celebration differs from region to region in India.

The festival falls between mid-October and mid-November. During the period of time, everyone worships goddess Lakshmi and also many traditional activities are performed during the five day celebration.

Diwali commemorates the return of Lord Rama, along with Sita and Lakshmana, from his 14-year-long exile and vanquishing the demon-king Ravana. In joyful celebration of the return of their king, the people of Ayodhya, the Capital of Rama, illuminated the kingdom with earthen diyas and by bursting firecrackers.

---

Information obtained from website:-
We observed what it was like after it was cooked. It was soft after it was cooked.
By Kisuri

It was wiggly and it was moving around. We made a spaghetti picture.
By Lily.

The spaghetti was soft and really slimy. When we touched it, it was doughy. We made a picture describing a poem using the spaghetti.
By Anvita.
For our science work we had to observe the spaghetti and tell the differences between raw spaghetti and cooked spaghetti.
By Kaveen

We made raw spaghetti towers by using marsh mellows as joints and the raw spaghetti as the supports.
By Pranav

We used raw spaghetti to build towers we also observed the raw spaghetti.
By Isaiah
On Thursday, 31st October, all Glen Waverley Primary School students participated in the nation-wide music initiative, Music, Count Us In, a program that celebrates and promotes music education in all schools. This year, the Recorder Band, the School Choir, 1KG and selected guitar students accompanied the whole school with their musical talents. More than 600,000 students and teachers from all over Australia learnt, rehearsed and performed the same song on the same day, 'Keep On.' The song was written by some very talented secondary students who were individually selected for their musical abilities. Although the students at our school are very fortunate to have the opportunity to a music education as part of their learning, 23% of students in Australian government primary schools miss out on meaningful music education. Music Count Us In is an event that reminds us all of the value of music in childrens' learning and the skills it helps students to develop, such as confidence, self-discipline and team work. Many studies have shown that there are also strong links between music learning and academic skills in literacy and numeracy.

Well done and congratulations to everybody who participated in this special event

Miss Bures

Music/EAL Teacher
Congratulations to the following students who received the Specialist Award for the month of October:

**Chinese Language Achievement Award:** Darren from 3TA

**Musician of the Month:** Randiv from 1MB

**Artist of the Month:** Amasha from 4KB

**Sportsperson of the Month:** Jayden from 2CW
On Monday, 4th of November, the day before Melbourne Cup Day, the Junior School Council organized a Melbourne Cup fundraising day for Diganta, our World Vision sponsored child. Students and staff dressed up in their finest clothes to get into the spirit of the Spring Racing Carnival and it was a fantastic success with $252 raised! Through this event and previous fundraisers, we recently paid for our sponsorship of Diganta for another year, and we are now on our way to ensuring that Diganta will be sponsored by us well into the future!

This year the J.S.C. managed to create and run some fun filled activities. We dressed up as super heroes and in red, we held Concert and Easter raffles and we even hauled 635 kg of goods around the school! Combined with the overwhelming generosity of the entire G.W.P.S. community, we have managed to raise over $2,000 for different important causes! These include:

- SIDS and Kids
- Sponsoring Diganta
- Red Kite (Children with cancer)
- G.W.P.S. Library Materials

It has been a spectacular year of fundraising and generosity! Mrs. Javidi and Mr. Hudson congratulate all the Junior School Council members and the entire school community for your outstanding contribution to the G.W.P.S. and the global community!
Literacy Update

I am sure by now your child has come home buzzing with excitement about being registered for the Reading Eggs program! We are certainly very excited that we have been able to trial this fantastic resource for the remainder of this year and then fully implement it in 2014. Reading Eggs gives the children 24/7 access to over 1500 e-books along with comprehension tools and spelling and grammar activities. The Reading Eggs program provides the students with the opportunity to independently read or listen to the audio whilst they read along. This is a great feature for our younger students and children who are learning English.

We have also continued to build our Digital Library this semester with the addition of new titles that complement Inquiry topics from Years Prep-6. Linked to curriculum priorities, and addressing the demands of the Australian Curriculum, our digital resources provide students with endless possibilities in the classroom in the teaching of reading. We now have over 120 digital books to support student Inquiry and these are able to be personalised by teachers to address the exact learning needs of your child. The annotation of these digital libraries by your child’s teacher allows the one text to be differentiated so it caters for individual abilities and learning styles within their classroom.

Our new online Springboard into Comprehension program delivers our students with over 100 additional digital books that support our reading program. These books include a supportive read along text where students are able to record their reading to self-monitor their accuracy and fluency. Each title includes comprehension questions on each page as well as video and animated diagrams.

The staff and students have been very enthusiastic as we continue to develop our whole school reading program. It has been an exciting time for all of us to see the students become more involved, responsible and passionate about their reading and personal improvement in this area. All students now have personal book box in their classroom that holds a range of books to help when focusing on specific strategies. These books are chosen by the children and must be “good fit” books – please ask your child what is meant by a “good fit” or “just right” text. The purchase of over 600 new books for classroom libraries has certainly pleased the students as they have greater access to their favourite authors and genres. Please remember if you have any pre loved books at home in good condition we would love you to think about donating these to our classroom libraries for other students to share.

If you have any questions about our school’s English program please do not hesitate to see or contact me.

Kerryn Callas
English Team Leader
Australian Communications and Media Authority (the ACMA)
Parent Information Session

On Monday the 25th of November, Glen Waverley Primary School is hosting a Cybersmart Outreach—Internet Safety Awareness presentation. During the day, students from years 4 and 5 will attend a session that will inform them about making safe choices online.

A presentation for parents is scheduled to begin at 7.00pm that evening and conclude by 8.30pm. It will be held in our school hall. This presentation is provided by the Australian Communications and Media Authority (the ACMA) as part of a national program of cybersmart initiatives.

The Cybersmart Outreach—Internet Safety Awareness presentation covers a range of issues including:

- the ways children use the internet and emerging technologies
- potential risks for children online, such as cyberbullying, identity theft, inappropriate contact and exposure to inappropriate content
- tips to help children stay safe online.

The presentation is conducted by an ACMA Cybersmart trainer and is free of charge. Students will have brought home a notice with further details of this event. It would be terrific if you could attend. If you have any questions please don’t hesitate to contact the school for more information. Further information can also be provided by visiting the following link http://www.cybersmart.gov.au/whbts

Community Christmas Donations
Salvation Army Food Bank – Glen Waverley

Thank you to the students and parents who have already donated. Your generosity so far has been wonderful.

Each year, Glen Waverley Primary School collects donations from our community (parents and staff). We then deliver these goods to the Food Bank in Glen Waverley, where they put together hampers for needy families.

We are asking our wonderful community of parents and staff for donations for the food bank. We will be accepting donations from the 4th of November to the 12th of December. There will be a box located near the office for you to place your donations.

Some ideas for donations are:

<table>
<thead>
<tr>
<th>Tea</th>
<th>Coffee</th>
<th>Cereals</th>
<th>Canned Soup</th>
<th>Tinned Fruit</th>
<th>Tinned Vegies</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tinned Ham</td>
<td>Long Life Milk</td>
<td>Pasta</td>
<td>Rice</td>
<td>Pasta Sauce</td>
<td>Dry Biscuits</td>
</tr>
<tr>
<td>Sweet Biscuits</td>
<td>Canned Tuna</td>
<td>Coconut Milk</td>
<td>Jams / Honey</td>
<td>Vegemite</td>
<td>Packet Pasta Meals</td>
</tr>
<tr>
<td>Noodles</td>
<td>Little Puddings</td>
<td>Christmas Bon Bons</td>
<td>Tomato Paste</td>
<td>Flour</td>
<td>Jar Baby Food</td>
</tr>
<tr>
<td>Toothpaste</td>
<td>Shampoo</td>
<td>Tinned Spaghetti</td>
<td>Baked Beans</td>
<td>Soap</td>
<td>Dried Fruit</td>
</tr>
</tbody>
</table>

Thank you for supporting this wonderful cause. What a great opportunity to teach our children about the importance of giving. If you require any further information please contact Natalie Doyle at the school.
