PRINCIPAL’S REPORT

Dear Members of the Glen Waverley Primary School Community,

Welcome to another edition of our information packed school newsletter! I am writing this after spending another wonderful day outside enjoying the beautiful weekend weather - I hope all families have been able to get out and about in order to enjoy it too! Although yesterday the news service mentioned that this month is the driest November for a very long time – hopefully we get some rain shortly as the garden is beginning to look very dry!

Facilities Update:
New Library – Our new library is beginning to take shape with considerable progress since the last newsletter. So far the:
- Old cabinetry and carpet has been removed
- A new office space has been created
- Some electrical work completed
- The internal walls have been expanded
- Painting has commenced
- Reading pit has been built
- Some of the new furniture has arrived
- Carpet has arrived and
- Carpet in the multimedia room has been laid.

Included are a few photos of the project – please keep an eye out for a progress report in the next newsletter.

SCHOOL LUNCH ORDERS
Lunch orders are available from school five days a week.
The service is provided by Gourmet Delish 9808 9838
Menus and ordering procedures can be obtained from the School Office.

UNIFORM SHOP
Situated in the West Wing on the School Grounds
Open Monday between 3.00 – 4.30 pm
Closed Public Holidays and School Holidays
Please bring your own bag for purchases as we are an environmentally friendly school.
Orders may be left with the office – these must be in an envelope marked with the child’s name and grade together with payment, correct monies are appreciated.
Sports Fields and Car Park Redevelopment
Over the weekend the basketball posts were installed – much to the delight of the students and staff. I am hoping by the time the newsletter is released the fence is installed and then this major project will be completed except for some new signage. Fingers crossed that all is completed within the next week or so.

2013 School Fees
I would like to once again thank those families who have already settled their 2013 school account and remind those who are yet to do so that if they are settled by the final school day of the year you will receive a $10 discount. We would really like to have as many accounts as possible paid by this date so families will be able to collect their book bags and commence labelling and covering the contents. A reminder that accounts can also be paid on Tuesday 29th January which is when Book Bags can also be collected and the uniform shop will be open from 10 am to 3 pm.

2013 Student Leaders
Best wishes to all of the current Year 5 students who have nominated for the various Student Leadership positions for 2013. Last week all of the children heard speeches from Mahek, Yi Juan, Senisa, Senudi, Izza, Simran, Heshan, Srijay, Lahiru, Rajat and Kimal as to why they should be elected as one of the School Captains. Their outstanding speeches were conducted at our school assembly which can be quite a daunting task. All of the children are a real credit to themselves, their families and teachers. This was followed by all of the students having the opportunity to vote for a candidate. We were once again very fortunate to have a representative from the Australian Electoral Commission (Peter) who oversaw the voting process and was assisted by our current Year 6 leaders.
This week the children have also had the opportunity to nominate and present for the other leadership positions throughout our school.
I would also like to acknowledge the wonderful work of the staff with this process and Ms Dale who is overseeing the election process. Well done and best wishes everyone!

Thank you to the De Silva Family
Our school is very fortunate to have so many families who support us in numerous was. A recent example is the very generous offer from the De Silva family who donated a special book for our school library. Dulwan (Year 2) participated in the “Write For Fun” program which involves children writing stories which are then published. Dulwan wrote a wonderful story titled “The Teacher and the Thief” which was published (and is also in the Kids Corner section). Dulwan’s family then decided to purchase 2 copies of the book – one for the family and the other for our school. A sincere thank you to Dulwan’s parents Don and Sasiri for your very generous offer and for supporting our school!
From The Table to The Farm Program

Last Wednesday Ms Rich and Year 6 students Sarah, Jeremy and Jesse attended an informative and very interesting day where they represented our school in the above program – refer to Ms Rich’s report. The feedback outlined that the children were simply amazing as they worked harmoniously and industriously in order to solve a variety of complex problems – all with minimal fuss. Ms Rich commented on how proud she was of all of them – well done and thank you Sarah, Jeremy and Jesse for representing our school so well, you should be really proud of yourselves! Also thank you to the Year 6 classes who spent numerous hours completing the enormous banner, Ms Rich for her organisation and Mirini (Jesse’s mother) for attending the event and supporting the children.

Enrolments

Once again, I would like to remind families with children who will be beginning school in 2013 that enrolments are closing rapidly with only a very small number of positions available as places are filling fast. Hence I strongly encourage you to ensure you return your child’s enrolment form to Jenny or Pam as soon as possible. We also ask that members of our school community assist us by informing any of their neighbours of the enrolment procedures and direct them to the office to collect an enrolment form or our school website – www.glenps.vic.edu.au. School tours are available every Tuesday morning commencing at 9:30 and also upon request. Please call the school on 9802 9938 to book a tour.

We are currently preparing for the 2013 school year and would really like your assistance in providing us with as much information as possible regarding your intentions for next year. **If you believe you will not be returning to Glen Waverley for the 2013 school year could you please write me a short note indicating so.** As I am sure you would understand, we need to commence the process of selecting staff and allocate students to classes – your cooperation with this issue is greatly appreciated.

Student Sporting Achievements

Congratulations to Shalani (Year 6) for receiving the Rotary Club of Waverley Sports Award for her terrific attitude towards sports and for assisting others.

Also congratulations to Aaliyah (Year 6) for winning a Gold Medal at a recent swimming meet in Geelong and to her brother Karan for winning a Silver medal – Karan was one of our House Captains in 2011.

It really is wonderful to see and hear of our students who accomplish such wonderful things – well done and congratulations!

Writer’s Club Author Visit

Last Thursday the children in the Writer’s Club were very fortunate to spend a few hours with renowned author Mark Carthew who outlined the process he undertakes when writing REAL books. The session was thoroughly enjoyed by all involved and I am certain it is an event which the children will remember for many years to come. Also thank you to Mrs Platt, Ms Yerramilli and Ms Javidi for organising this wonderful incursion.

2013 Staffing Update

As the 2012 school year draws to an end, we sadly farewell some of our staff who are developing their careers by moving on to other schools, completing further studies, working in a different sector or taking a break in order to travel. I would like to acknowledge the wonderful contribution the following staff members have made to Glen Waverley Primary School and wish them well with their future endeavours:

Jacinta Evans – moving to Knox Park Primary School
Claire McCubbin and Samantha Barnett – moving to Livingstone Primary School
Poh Eng Sia – moving to Caulfield Grammar
Alistair Chapman – completing further study
Sudha Yeramilli – working in the private industry and
James Arness – travelling through Europe.

On behalf of the school community, a sincere thank you for the various contributions you have made to the children and families at Glen Waverley Primary School and once again, best wishes to all of you!

Kumon Awards
Recently I had the pleasure of attending our school’s Kumon Awards evening. It was an absolute honour and privilege to present a large number of awards to various Glen Waverley Primary School students who are performing well above the expected standard. As a learning community we highly value the Kumon program and thoroughly recommend it to all families. Attached are a few photos of the evening and if anyone would like for their child to participate in the program please ring Saira or Mohsen on 0421 401 692.

Wishing everyone a safe and happy fortnight,

Attention is the currency of relationships

Being in the moment when parents are with their children boosts their confidence and resilience

Article contributed by Justin Coulson

There is one thing that shows our children we love them more than anything else in the world. It is taking the time to be emotionally available for them. In my book I refer to it as ‘being where your feet are’.

This idea seems so simple that it might be easy to nod your head in agreement, shrug your shoulders, and move on. But to do so may mean you miss the valuable insight that practicing emotional availability provides for your family. Parents who are emotionally available will find that their children are among those most likely to grow up secure, confident and resilient.

Being emotionally available requires us to pay attention – close attention – to the emotional world of our children, and to respond compassionately. In fact,

Just as dollars are the currency of our economy, attention is the currency of our relationships.

Being emotionally available

My eight year old daughter drove this point home to my wife and I during a recent conversation. We were conducting a parenting performance appraisal (which you can read more about on my blog). My wife asked Ella, “Do Mummy and Daddy make you feel important?”

Her response:

“When you are busy you don’t listen to me properly. Like when Dad’s on the computer or you (Mum) are doing craft you’re not available to me. It feels like those things are more important than me.”

Ouch. Those were her words, not mine. Our kids notice when we are not available.

A father told me he was having daily battles with his teenage daughter. I suggested he go for regular walks with her each morning or evening and be emotionally available. The first few walks were awkward. She felt like he had an agenda, and she refused to talk. But within a week they were looking forward to their time together and talking more freely and pleasantly than they had for months. He complained to me (in jest) that he was thinking of making the walks less regular just so she would stop chewing his ear off!

Invite Your Children Into Your Space

Whether your child is two or twenty two, being emotionally available will improve your relationships with your children. Here’s how to do it:

Go out, turn off your phone, and simply be together – and listen.

It may be in a park, at the beach or on a mountain trail. It might simply be wandering around your neighbourhood. Just make sure there are no distractions (so that means no movies – you can’t talk). Then ask questions, listen carefully and suspend judgement.

Your children will love being in your space and will feel special. Invite them to allow you into their space. It may take more than one date. But if you put your attention into your relationships, they’ll become enriching sources of happiness and meaning for you.

Mums and dads who make themselves available for their children have happier families and better functioning children. Kids do best with both parents being there emotionally, regardless of your family structure. Having happy kids and strong family relationships … it’s about time.

Hints for being emotionally available to your children:

- Minimise distractions by turning off TV, radio, the internet and iPods.
- Ensure every child gets some one-on-one time with just you.
- Ask questions, listen, suspend judgement.
- When one of your children says something to you, stop what you’re doing and really take in their words.
- Try to look past the things they say to see their heart and the intent behind their words.
- Recognise that challenging behaviour may be your child using her limited communication skills to send a signal that she needs you.

**Year Book Front Cover Competition Winners**

This year the students from grade 5 and 6 were invited to create the front cover for the Glen Waverley Primary School Year Book. The competition was hot with many entries being of a very high calibre, but there could only be one winner, or perhaps not. In fact there were 3 winners as 3 students contributed to create the 1 winning cover. And the winners are…… **Angie from 6ND, Dinara from 6ND and Wendy from 6RL.** They combined to produce a Year Book cover of exceptional artistic and conceptual quality. They included many different elements that represent their view of GWPS. Some of these elements were a branch representing growth, a girl representing learning, people around the sun representing togetherness and the wind representing peace. I would like to thank all the other students who entered the competition. Their artworks were greatly appreciated.
Education Maintenance Allowance - information for parents currently receiving EMA

Changes to the Education Maintenance Allowance (EMA) for 2013:

The EMA continues to help families on lower incomes with financial assistance to cover the cost of educational expenses including textbooks, stationery, uniforms and excursions for their child up until the age of 16.

From 2013, the Victorian Government is restructuring the EMA to better target financial support to families on lower incomes. Payments made direct to parents will be increased for eligible recipients at all year levels up to age 16, with an additional increase for parents with students in Years Prep and 7 in recognition of the additional costs at these transition points.

In 2013 the annual EMA payment for families with children in primary school (years 1-6) will receive a payment of $150. Families with children in secondary school (Year 8 up until the age of 16) will receive $250.

The School Start Bonus which was previously received by EMA families has been discontinued as a separate payment from 2013 and added to the EMA. As a result, parents of children in Prep and Year 7 will receive boosted EMA payments of $200 and $300 respectively in those years.

From 2013, schools will no longer receive EMA payments on behalf of parents. However, $62 million over four years will be redirected to the State’s most needy schools to assist families on lower incomes. These funds will form part of the school Student Resource Packages to be allocated at the local level.

Eligibility:
To be eligible for the EMA in 2013, you must:

- be either a parent or guardian of a primary or secondary school student up to the age of sixteen; and
- be an eligible beneficiary of a Centrelink pension, allowance or benefit within the meaning of the State Concessions Act 2004 or be a Veterans Affairs (TPI) pensioner or be a temporary foster parent.

* i.e – the parent/guardian must be the holder of a valid Health Care Card or valid Pension Card.

The eligibility criteria must be met as at 29 January 2013 (Instalment One) and 15 July 2013 (Instalment Two).

The EMA application form must be submitted to the school by 28 February 2013.

Payment Amounts - 2013:

This fortnight’s Kids Corner section contains some amazing stories written by Vanessa and Justin (both in Prep LG) and Dulwan (2SY).

Big Chimp and Baby Chimp (By Justin – Prep LG)

Baby Chimp and Big Chimp went to get some honey from the tree and Baby Chimp hid behind the tree.

Dad Chimp bought some honey for Baby Chimp at the tree.

Baby Chimp said, “Can I have some more honey?”

Then Dad Chimp went to get more honey from the tree again.

Baby Chimp then fell asleep.

Dad Chimp carried Baby Chimp on his back.

Then Dad Chimp caught the bees so they could have honey every day.

Spring (By Vanessa – Prep LG)

In Spring we play outside because it is warmer.

The bees like the flowers because it is Spring.

In Spring we can go to the park and have a picnic.

The Teacher and the Thief (By Dulwan – 2SY)

On Monday a teacher was looking for a book and she looked and looked everywhere. Then she heard a noise and said, “Who is there?” in a terrible voice. Then she went to look for it. She looked in the school toilets and the art room, also the staffroom, but she found nothing. So she went back to work.

The next day she was looking for important papers and she heard the noise again. She got scared, ran away and went home. She thought something must be done. So the teacher had a good idea. The idea was to make paper frogs to scare it away. The very next morning the teacher saw all of the frogs were gone and there were three ninja stars left.

She complained to the principal and said something must be done! But the Principal said, “Don’t be silly!” in an angry voice and the teacher went home and made a clever robot ant. The next day the teacher placed the ant and hid a camera in it. Then the ant saw what happened! At night time the teacher watched the video and said, “There’s a robber at the school!”

The next day the teacher said, “I am going to solve this mystery.”

The first thing that she did was go and ask the kid if they want to save the school. The kids said YES! The teacher said, “The thief lives in the basement.”

The kids made a circle around the basement. Then the teacher said, “Too late, you are caught, come out now!”

Then the robber came out and the robber was caught by the Police. After that the teacher went and showed the principal what happened.

So the problem was solved. The teacher shared the story with her other students and said, “You are the BEST!”

This story is dedicated to my parents, grandparents and all my loving teachers.
Congratulations to the following students who received the Specialist Award for the month of November

Chinese Language Achievement Award: Nathan from 6RL

Some GWPS students will be performing during lunchtime on Wednesday the 5th of December, 2012. It will be held from 1:40pm – 2:30pm on the Music room stage if it is sunny, or in the Hall if it is wet weather. You are welcome to come and watch! If you are coming, make sure you sign in and out at the school office before and after the concert. We look forward to seeing you there!

Mark Carthew

On the 15th November 2012, well known author Mark Carthew visited Glen Waverley Primary School. This was a great opportunity for the students in the Writer's Club to hear from a professional author. It was really exciting. During his speech he generally spoke about his books and we were told how he was inspired to write books. Mark recited some poetry and played his guitar, singing songs from his books. We were given the chance to do lots of fun activities. At the end we each got two bookmarks. Mark Carthew's visit was a great experience. On behalf of the Writer's Club we would like to thank Kay, Ms Javidi, Mrs Yerramilli, Mr Catalano and the staff for providing us with this great opportunity. I hope all of the students will be inspired by people like Mark Carthew.

Glen Waverley Primary School was very fortunate to be invited to participate in The Great Wall of Dairy Project. It involved students in Level 4 selecting an area of the dairy industry they would like to investigate. The students decided to research Dairy Technology from Farm to Plate.

As you can see, there was a lot of work involved in completing the banner. On Wednesday 21st November, Sarah, Jeffery and Jesse from 6RL went to the presentation day for the Great Wall of Dairy. Four other local schools attended and we spent the day reflecting on our learning through games and activities.

What’s Been Happening in the Art Room...

The Prep’s have been learning how to weave. Look at their lovely weaving patterns!

Grade 1 and 2 students have been experimenting with dispersion paper and dye. They also used shape transformations to create their art pieces.

The grade 3 and 4 students have been learning about positive and negative shapes and how to smudge with soft pastels! Look at their colourful collages!

The Grade 5 students were learning how to do a ‘blind doodle’ picture. Firstly with their eyes closed, they used a fine liner to draw a looping, freeform line without lifting the fine liner off the page. Then they used and a range of patterns to fill in the shapes, add detail and make an abstract picture. Finally colour was added to enhance their design.

The grade 6 students have been making Christmas Trees out of natural materials including dowel, branch cuts and rolled paper.

The Digital Excellence Program (DEA) is an online program to assist and extend students’ ICT skills. Our students monitor and drive their own learning through this program which is integrated into all aspect of their learning. Once they have completed tasks they receive a digital excellence badge to keep forever.

The program offers them the opportunity to further their skills from home by logging on to the DEA website. This can be accessed via Glen Waverley Primary School’s website. Achievements in ICT will be celebrated fortnightly through this newsletter. Here are some students who have achieved badges in the last fortnight.

**Schoolkids Bonus**

The Schoolkids Bonus is a payment to help families with education costs. It replaces the Education Tax Refund (ETR) you used to claim through your tax return.

**Eligibility for the Schoolkids Bonus**

Unlike the Education Tax Refund, you don't need to claim the Schoolkids Bonus and you won't need to keep receipts for education expenses. The Schoolkids Bonus will be paid in January and July each year from 2013 onwards.

To be eligible for the Schoolkids Bonus, you must either be a parent or carer who gets Family Tax Benefit Part A for a dependent child who is:

- under 16 years of age and in primary or secondary education
- 16 to 18 years of age and in full-time secondary study, or exempt from full-time study, or
- turning 19 years of age in the calendar year and in full-time secondary study, or exempt from full-time study.

Visit humanservices.gov.au.schoolkidsbonus for further information on this change
