PRINCIPAL’S REPORT

Dear Members of the Glen Waverley Primary School Community,

Wow, I really cannot believe that this is the final newsletter for Term Two – it seems like yesterday that we commenced the school year and now we are almost at the half year mark!! As usual so many marvellous things have occurred at our wonderful school over the past fortnight such as:

Farewell to Mr McDonald
It is with a great deal of pride, enjoyment and also a touch of sadness that I announce that Darren McDonald, our Assistant Principal for the past 2.5 years will be leaving us at the end of this term. Darren has been promoted to Acting Principal at Burwood East Primary School for the remainder of this year and, at this stage, will return at the beginning of the 2014 school year.

Although this is a sad moment for our school community, it certainly is a wonderful opportunity for Darren as I am aware that one of his professional “dreams” is to be a Principal of his own school. I am sure that all members of our school community will unite to thank Darren for his tireless work, professionalism and also wish him well with the next stage of his career.

Currently we are in the process of organising an Acting Assistant Principal and hope to be in a position to inform our school community as soon as possible.

Facilities and ICT Resources Update
I would like to take this opportunity to once again thank the numerous members of our school community who have commented on the various improvements we have made to our school’s facilities throughout the past year or so and also the concerted effort to increase the amount of technology.

During the forthcoming holidays we plan to refurbish 5SR’s classroom which will mean all of the classrooms in the main building will have been completed.

SCHOOL LUNCH ORDERS

Lunch orders are available from our service provider Gourmet Delish five days a week.
Ordering is done through an online service, details of which are available on our website.

UNIFORM SHOP

Situated in the West Wing on the School Grounds
Open Monday between 3.00 – 4.30 pm
Closed Public Holidays and School Holidays
Please bring your own bag for purchases as we are an environmentally friendly school
Orders may be left with the office – these must be in an envelope marked with the child’s name and grade together with payment, correct monies are appreciated.

Important Dates For Your Diary

June
20 Chess – Round 11 Participants
21 Interschool Sport Yr 6s
26 Science Fair Years 5 & 6
27 Chess – Round 12 Participants
28 Last Day of Term 2 Whole School Early Dismissal – 2.30pm

July
15 First Day of Term 3 Whole School
Below is an overview and update of the 2013 projects:

- Refurbishment of the new library – project completed
- Refurbishment of classrooms in the main building – 5JT and 56K were refurbished during the March holidays,
- Refurbishment of 5SR – to be completed in the June/July school holidays
- Building an additional classroom behind the ELC – the building plans have been submitted and we are now waiting for a Building Permit from the City of Monash. We are hoping the concrete slab will be poured during the forthcoming holidays
- Refurbishment of the main corridor and admin area – the main corridor, main office and photocopying rooms have all been completed. The Principal, Assistant Principal’s office and sick bay are yet to be completed – hopefully sometime next semester
- Refurbishment of the OSHC building – project completed

This year we have also continued to focus on increasing the technology throughout our school and have purchased the following additional resources:

- 12 iPads for the Year 2 classrooms
- 12 notebook computers for the Year 2 classes
- An additional server
- Air-server software for all staff
- 30 iPads for the children and staff in Years 3 and 4 and
- 2 x IWB’s – Class 2CW and Mandarin

Below is an overview of the technology the children have access to throughout our school:

As mentioned previously, it is wonderful that we have been able to complete the above works and also focus on our school’s technology resources. It is also important to note that all of the above would not have been possible unless all of our families settled their school fees – once again, thank you everyone!
Additional Maintenance Grant – we are currently in the process of obtaining quotations for the refurbishment of the Year 3 Building (Blue building which currently contains 3TA, 3KC, 3DJ and 4SW). Hopefully all of the administrative components will be completed by mid – Term 3 and works can commence during the September holidays. More news will be forwarded as soon as possible.

Making a Difference to our School
It really is an absolute pleasure being the Principal of such a wonderful school where the staff, parents and students continually go out of their way “to make a difference!”

Some recent examples include:

Making a difference to our sponsored child: as everyone would be aware, our school through our Junior School Council sponsor Deganta an eight year old boy from Bangladesh. Through our sponsorship Deganta is provided with:
- Education and the chance to go to school
- Clean water for drinking, cooking and washing
- Healthcare and health education and
- Enough food for a nutritious diet.

Toasty Cheese and Milo Days: it has been wonderful to see so many parents and the student leaders organising these special fundraising days for our school. It is also a wonderful opportunity for the children to purchase a “hot drink and sandwich”. The money raised will also make a difference, this time at a local level – our school.

New Mural: The students have certainly enjoyed working with the artists Yaping and John as they create the most amazing mural for our school. The mural is almost complete and we are hoping to be able to place it on the Year 3 Building wall before the end of this term or during the school holidays – how exciting!

Library and Classroom Book Donations: Over the last few weeks we have had a number of families donate books and in some cases, money to purchase additional books for our school library and classroom reading program. Naturally we are incredibly appreciative for all of the donations – thank you very much everyone!

Cross Country Event
Congratulations to Rebekah (Year 5) and Senudi (Year 6) who both qualified for the Zone Cross Country event which is a fabulous achievement, please refer to Mr Knott’s report for a full report. Well done and congratulations girls, we are all extremely proud of you!

SunSmart in Winter
It seems rather bizarre to be writing this in the middle of Winter however, the SunSmart Council of Victoria is encouraging everyone to get some sun exposure during the week to help with Vitamin D levels. Although ultraviolet (UV) radiation from the sun is the main cause of skin cancer, it is also the natural source of Vitamin D which is essential for strong bones, muscles and overall health. In Victoria the average UV levels are low between May and August making it a great time to get outdoors for some sun. The SunSmart Council of Victoria is recommending people with fair to olive skin to receive 2 to 3 hours of sun exposure to the face, arms and hands, very dark skinned people are recommended to receive between 3 to 6 hours per week. If the UV level rises above 3 or if you are in the Alpine Region then sun protection is recommended.
PRINCIPAL’S REPORT (Cont’d)

Prep Enrolments
I would like to remind families with children who will be beginning school in 2014 that we are taking enrolments for the Prep Year and look forward to welcoming many new students to our school. Currently we have approximately 72 children enrolled for Prep next year with places filling fast. Hence I strongly encourage you to ensure you get your child’s enrolment form and return it to Jenny or Pam as soon as possible.

We also ask that members of our school community assist us by informing any of their neighbours of the enrolment procedures and direct them to the office to collect an enrolment form or our school website – www.glenps.vic.edu.au. School tours are available every Tuesday morning commencing at 9:30 and also upon request. Please call the school on 9802 9938 to book a tour.

Student Reports
Classroom teachers have completed the mid-year reports and I have spent quite some time reading and making a comment on all of them as well. Overall our children are performing well above the state expected level of achievement in all areas of their learning which is a real credit to our teachers, the children and also our families.

Our reports are quite detailed outlining what your child has achieved, their rate of progression, how they are progressing compared to state expectations and, most importantly, what we as a school will do and what you as a family can do to assist your child with their development.

Your child’s report and Student Led Conference confirmation slip will be distributed tomorrow (Friday). Please ensure you read the report with your child and then also make some time to read it in isolation in order to prepare for the conference. You may also like to jot down a few questions that you would like to ask your child’s teacher. You will note that we have extended the interview times to 15 minutes and after a very successful trial last year, this year all of the children will be leading the interviews – refer to Mrs Jacobs explanation in this newsletter. Essentially the children will be presenting their learning portfolios. I look forward to hearing what families think of this approach.

The saying “It takes a village to raise a child” is a very poignant reminder that we all need to work together for the betterment of each child’s development.
I look forward to discussing your child’s report and overall progress in the coming days as we cross paths. Feel free to see me if you would like to discuss your child’s report or have any feedback regarding the reporting process.

Extra – Curricular Programs Update – After School Drawing Classes
One of the more innovative extra-curricular programs our school offers is the after school art (drawing) classes which is implemented by the New Star Art School who have more than 20 years’ experience in children's art education. New Star Art places a strong emphasis on teaching drawing skills as they believe drawing is the foundation of all visual art. One of the greatest gifts we can give our children is the opportunity to think and practice creativity, so the more creative exercises they are exposed to the greater the potential to enhance intellectual, social and emotional development.
Classes are held in the art room and staff room and will recommence on Wednesday 17th July. If you are interested in your child joining please see Mr Hudson at school or contact Yaping Jiang on 0417 104 975 or 9815 0817.

Vacation Care Program
Once again our school will be implementing our very own Vacation Care (Holiday Care) program which will commence during the forthcoming June holidays. Included in this newsletter is an overview of the program and the associated costs. Please be aware that ALL FAMILIES are entitled to a 50% rebate (which is not means tested) plus a further rebate which is determined by your family’s 2011-2012 annual taxable income. If you have any questions pertaining to the Vacation Care program please do not hesitate to contact or see Grace (OSHC coordinator) or me at school.

Next Friday:
A reminder that next Friday (28th June) is the final day of term. We will have an assembly at 1:45 either in the hall or outside the Early Learning Centre, where the Kiwanis Terrific Kids and the Principal Learning Awards for the term will be announced. The students will be dismissed at 2:30 and After School Care will commence straight after assembly.
CONGRATULATIONS TO THE FOLLOWING STUDENTS WHO RECEIVED A PRINCIPAL’S AWARD RECENTLY:

OLT: Saum for a great effort in a recent game of Chess against me in which Saum was very tactful, spent quite some time considering his moves and played an outstanding game and beat me!

2CW: Trevin for being really brave

2RL: Natalie for making really good choices

3DJ: Darshi, Angelina, Tiffany, Pujani, Haeun, Matthew and Sendiya for creating amazing homework pieces using leaves. Nathaniel for an amazing homework experiment where he grew seeds in different environments and Sendiya for being a great friend.

3TA: Aarav, Uvindee, Radinsa, Sethmi, Pulindu, Prakrit, Thisen and Binuki also creating amazing homework pieces using leaves. Pulindu and Uvindee received two awards for additional super homework – well done Pulindu and Uvindee!

6ND: Thelini, James, Prashiksha and Bunnin for creating an amazing literacy group poster and iMovies about how to make biscuits
BIRTHDAYS

Happy Birthday to the following students who celebrated their special day recently and also throughout the school holidays:

0LG: Hannah and Hansi
2CW: Alexander
3TA: Selina
4KB: Duvin
5SR: Ha-Sung and Ellen
5JT: Thepuli and Everley
6ND: Izza
6LT: Simran and Ben

School Holidays
Wishing everyone a safe and happy fortnight and a wonderful two week vacation period. I look forward to seeing everyone on Monday 15th July with an assembly in the school hall.

Frank Catalano
Principal

Student Led Conferences

On Monday 24th and Tuesday 25th June, students will be meeting with their parents and class teacher to present the achievements they have made this semester. Each conference is of 15 minutes duration and if parents have requested an interpreter they will be available to assist.

This is a wonderful opportunity for students to practise real life skills including communication, organisation and leadership. Using their portfolio as a reference they will be explaining a range of learning tasks undertaken this semester across the curriculum.

Level 3 and 4 parents are reminded to complete the comment section on the Student Reflection page and to bring this on the night.

Debbie Jacobs
Assessment & Reporting Coordinator
Dear Parents/Guardians and Students,

It is with heartfelt words that I write this piece to inform you that as of July 15, 2013, I will begin a new position as Acting Principal at Burwood East Primary School until the end of December 2013. Although I will miss my work with our school community, I look forward to the challenges this new position has to offer.

It has been a pleasure to work as the Assistant Principal at this school since 2011. I hope you know how much I have enjoyed these years. It has been my good fortune to experience a wonderful partnership with the students, staff and families in our community.

The past 2 ½ years have been an incredibly rewarding journey with numerous successes and challenges. Change can bring much uncertainty, but we have been able to create a sense of certainty by remaining focused on our shared vision, values, and goals. Our focus on learning, collaboration, and results, has moved our school along the continuum of a professional learning community - a community built every day out of basic shared values. I know the school will continue to build and create an exciting learning environment for the students of Glen Waverley Primary School.

I would also like to thank our Principal, Mr Catalano for allowing me to take up this position and for all of his guidance and support since I have been at our school. I have certainly learnt a great deal whilst I have been the Assistant Principal of this magnificent school.

I would like to thank you for the opportunity to work with your children and this outstanding school community and hope you know I am especially proud of Glen Waverley Primary School. I look forward to hearing great things about their accomplishments as they continue their education at Glen Waverley Primary School and beyond.

Sincerely,

Darren McDonald
Congratulations to the following students who received the Specialist Award for the month of June

Chinese Language Achievement Award: Srinath from 6SY

Musician of the Month: Yohan from 56K

Artist of the Month: Summer from 0LT

Sportsperson of the Month: Nitish from 4SW
The Kids Corner section of this fortnight’s newsletter has been written by Alysandra in 2CB. Alysandra and her family have recently returned from a three week holiday in the USA. Below is a recount of their trip.

**MY FIRST TRIP TO THE USA**

On Sunday 12th June 2013 it was an exciting day as I packed my bag and went to Melbourne Airport. We were flying to USA and we had to wake up very early. First we had to fly to Sydney then we had to change planes and fly to USA but it was fun.

Did you know that it takes one day and a little to get there!

When we got there we landed in San Francisco. My dad’s friend picked us up and we put our luggage in the boot but the luggage was a tight squeeze.

First we visited Google Headquarters where my dad’s friend works. We got free ice cream and I got to see 3 movie stars very close.

In San Francisco we went on a cable car and I got to hang out of the car it was fun. I saw Alcatraz and we drove across the Golden Gate Bridge.

In New York we walked across the Brooklyn Bridge and we also ate cupcakes from a famous place called Magnolia Bakery. We also went on a ferry and saw the Statue of Liberty. We also visited the Museum of Natural History. It is the same place that the movie Night at the Museum was set at.

In Las Vegas we saw Cirque du Soliel’s Mystery show, it was amazing!

In San Diego we went to Sea World and I got splashed by a killer whale. I also got to fly a toy.

In Los Angeles we went to Disney Land and I saw the fireworks and the castle.

It was a fun holiday.
Term 2 in sport has covered plenty in the field. We started the Term with 43 students competing in the Syndal District Athletics Carnival held at the Bill Sewart Athletics track in Burwood. We had some really good results on the day; I am still waiting to confirm those who have made the District Team to go onto the Monash Waverley Division Athletics Carnival. This is simply with SDSSA Administration as they are piecing the Team together, using results from other events such as the Cross Countries for the long distance events. I am confident we will have 6 students from Glen Waverley make this squad.

During weeks 3 and 4 we had our whole school swimming program at Syndal Swimming School that was heavily attended and all students who participated learnt a lot, particularly in safety around water. The Year 6’s have been participating in a weekly Round Robin in Interschool Winter Sports. They play AFL football, netball, kickball, soccer rounders and volleyball. All the players have improved throughout the season and have all enjoyed playing their chosen sport.

In Education week, we ran our Annual Interhouse Cross Country, this time with a twist. The Year 3 – 6 students went to Larpent Reserve to run the Cross Country, gaining points for their team for performance and participation. The change this year was the Year Prep – 2’s stayed at school and participated in a Sports Extravaganza, whereby they earned points for their house through participation and team work. After these events, the Community Relations Team put on a BBQ lunch for all students. The day was successful with everyone having a great time and congratulations to Mitchell for winning this year.
Following on from this, we had 60 students compete in the SDSSA Cross Country, whereby they all did well, particularly Rebekah (5/6K), Trevin (6LT), Senudi, Thilini & Aisha (6ND) all going through to the Monash Waverley Division Cross Country as they finished in the top 20 of their age group. Again they did well at this level, with Rebekah and Senudi having a great race, finishing in the top 10 of their age group. They will be heading off to the Eastern Metropolitan Region Cross Country held this week at Yarra Glen Racecourse – unfortunately we won’t know the result at time of publishing, however we wish them all the best.

The Year 4 students were invited to join in an extra-curricular 10 week Basketball clinics and Hoop Time. The clinics run during lunch time over the last 4 weeks of Term 2 and the first 6 weeks of Term 3, building up to the McDonald’s Hoop Time Challenge, being held in Term 3. The Year 3 students recently had a 2 week program called Hawks in Schools, run by the Hawthorn Football Club. The program introduced the students to healthy eating options, utilising the skills of Aussie Rules Football in the process. They enjoyed it very much.

In addition to our building of the school sports program are the extra-curricular programs we offer in sport. BIG5 currently hosts a soccer program on a Tuesday after school in Terms 2 & 3. Dance Oz host a dance program at lunch time on Monday that teaches modern dance to students. Local tennis coach Steve Blundell hosts a tennis program after school on a Friday. All of these programs are a great way to introduce students to these sports, with fantastic numbers participating in the programs. For more information, please contact or see Mr Knott (PE teacher) or contact:

BIG5 soccer on 1300 787 071 or info@big5sports.com.au
Dance Oz on 1300 787 071 or info@daceoz4kids.com
Steve Blundell on 0412 873 492 or steveblundelltennis@gmail.com
Some GWPS students will be performing during lunchtime on Tuesday the 25th of June, 2013.

It will be held from 1:40pm in the Hall.

You are welcome to come and watch! If you are coming, make sure you sign in and out at the school office before and after the concert.

We look forward to seeing you there!
2CW has been watching mealworms grow!

"Mealworms are good pets in our classroom because they are fun to have. We have been watching them change from a mealworm, to a chrysalis, to a white beetle then a brown beetle." - Isha

"Mealworms are friendly. We feed them and leave vegetables in the container for moisture so they can stay alive." - Binadie

"Mealworms are the coolest classroom pet we have ever had. You will know if a mealworm is a boy or a girl, because a girl has a small head and a boy has a big head. Mealworms can be used as fishing bait!" - Umaiza

"Mealworms have 13 segments, they live under rocks so they can’t be seen" - Jayden

"Mealworms need moisture and they live in dark and damp places. They live under rocks and leaves" - Harini

"In our class, we only have one mealworm left, and we have a lot of chrysalis’s and a lot of beetles." - Travin

"Our mealworms are starting to grow, it is really exciting. They are turning into beetles!" - Julian

"Depending on the temperature, if it’s hot their life cycle goes quicker. If it’s cold, their life cycle goes slower" - Chanul
EMA - 2013

If you lodged an application form at the beginning of the year with Glen Waverley Primary School, and were eligible for instalment one, there is NO NEED to lodge an application for the second instalment.

Education Maintenance Allowance - information for parents currently receiving EMA

Changes to the Education Maintenance Allowance (EMA) for 2013:
The EMA continues to help families on lower incomes with financial assistance to cover the cost of educational expenses including textbooks, stationery, uniforms and excursions for their child up until the age of 16.

From 2013, the Victorian Government is restructuring the EMA to better target financial support to families on lower incomes. Payments made direct to parents will be increased for eligible recipients at all year levels up to age 16, with an additional increase for parents with students in Years Prep and 7 in recognition of the additional costs at these transition points.

In 2013 the annual EMA payment for families with children in primary school (years 1-6) will receive a payment of $150. Families with children in secondary school (Year 8 up until the age of 16) will receive $250.

The School Start Bonus which was previously received by EMA families has been discontinued as a separate payment from 2013 and added to the EMA. As a result, parents of children in Prep and Year 7 will receive boosted EMA payments of $200 and $300 respectively in those years.

From 2013, schools will no longer receive EMA payments on behalf of parents. However, $62 million over four years will be redirected to the State’s most needy schools to assist families on lower incomes. These funds will form part of the school Student Resource Packages to be allocated at the local level.

Eligibility:
To be eligible for the EMA in 2013, you must:

- be either a parent or guardian of a primary or secondary school student up to the age of sixteen; and
- be an eligible beneficiary of a Centrelink pension, allowance or benefit within the meaning of the State Concessions Act 2004* or be a Veterans Affairs (TPi) pensioner or be a temporary foster parent.

* i.e – the parent/guardian must be the holder of a valid Health Care Card or valid Pension Card.

The eligibility criteria for the second instalment must be met as at 15 July 2013. The EMA application form must be submitted to the school by 2 August 2013. If you lodged an application form at the beginning of the year with Glen Waverley Primary School, and were eligible for instalment one, there is NO NEED to lodge an application for the second instalment.

Payment Amounts - 2013:

<table>
<thead>
<tr>
<th>Instalment</th>
<th>Prep</th>
<th>Years 1 - 6</th>
<th>Year 7</th>
<th>Year 8 – Age 18</th>
</tr>
</thead>
<tbody>
<tr>
<td>Instalment One</td>
<td>$140</td>
