GLEN WAVERLEY PRIMARY SCHOOL – Mad About Science “Chemistry Chaos” Incursion

Dear Parents and Guardians,

As part of inquiry unit ‘Where can we see Chemical Science in our local environment?’, we are delighted to have the ‘Mad about Science’ program visit our school on Friday 29th April and Monday 2nd May. The students will participate in a 90 minute session in order to learn various aspects of chemical science and encouraging students to think about the world from a scientific perspective. They will actively be involved in observing, recording, reporting and drawing conclusions from their observations and experiment results.

The students will investigate and learn about how everything changes in our world is made up of chemicals. They will explore reactions and physical changes such as; colour changes, smoke, fizz and foam through various hands on learning tasks.

The incursion will be held in the school hall as follows:
