Dear Members of the Glen Waverley Primary School Community,

Welcome to another very exciting and information packed newsletter! As usual so many marvellous things have occurred at our wonderful school over the past fortnight such as:

**More visitors to our school**
As mentioned in our last newsletter, our school is considered to be a showcase school by the Department hence we are often asked to host various Department and school personnel. Recently we have had the following visitors in our school:

- A Principal from one of the schools in Oakleigh as his school is about to embark on the process of reviewing their reading program

- Four Principals and two Senior Advisors (Area Managers) from schools in “country Victoria” as they were interested in seeing how we differentiate our teaching and learning programs

- Two Prep teachers from a nearby school as they were interested to learn about how we assess and moderate our writing

- This week we have had Ray Davis who is the Associate Director and Regional Accreditation Officer for the Council of International Schools (CIS). Ray was out as we are about to embark on the process of becoming a member of the CIS and

- Also this week we hosted Rashmi Mishri who is a Principal from India. Rashmi is here with ten other Indian principals who are visiting Australia as part of an India/Australia school leadership exchange program. Rashmi is the Principal of a very large school (approximately 3,000 students) and is very interested to see how we use technology in our school.

**SCHOOL LUNCH ORDERS**
Lunch orders are available from our service provider Balance Living Catering five days a week. Ordering is done through an online service, details of which are available on our website or visit http://www.balancedlivingcatering.com.au/school-lunch-ordering.html

Glen Waverley Primary School  774 High Street Road, Glen Waverley  3150
Ph: 9802 9938  Fax: 9886 1590  Email: glen.waverley.ps@edumail.vic.gov.au  Website: www.glenps.vic.edu.au
Recently I received the following email from one of the four Principals who visited our school:

Hello Frank,

It’s Ross from Rutherglen Primary School. I was part of the Principal group visiting last Tuesday from the country end of our Region.

I am writing seeking a school visit for all of my staff. I hesitate to ask this knowing how busy you and your school are however I was really impressed with the educational focus, evident throughout your school. I believe that my staff would get great value from a visit to Glen Waverley PS.

Our school is well down the track working with Literacy Strategies, CAFÉ and link this strongly into explicit teaching. We need some confirmation that we are doing the right work and that the data will come if we commit fully to this model of teaching! We would be interested in learning about your Literacy, Numeracy/Maths approach that you use across the school.

I would like to bring all of my staff 13 teachers and 8 ES staff to get a general impression of the strength and focus of your whole school and for them to then have an opportunity to work closely with your staff in relevant areas of the school.

We would travel in a bus from Rutherglen arriving around 9:30 – 10:00. Possible talk and tour to give an overview of the whole school then the staff to work with peers from similar area, in the classroom after the first break through until lunch break.

Maybe meet and have a debrief info session with you just prior to lunch. We would depart at this stage and journey back up the highway, capturing what we learnt during the discussions on the way home.

I look forward to your response and the possibility of working together!

It is not every day that a Principal is so impressed with a school that they are willing to dedicate a Curriculum Day and are also prepared to take their entire staff to visit another school. Naturally this is something we should all be very proud of!

I look forward to sharing when this will occur (the date is yet to be set) and photographs sometime in Term Three. Congratulations and well done everyone as we should all be incredibly proud of our school!

Council of International Schools
As mentioned above, on Tuesday Ray from the CIS was in our school. Please ensure you read Mrs Gough’s Curriculum Update as she has outlined what the CIS is and the enormous benefits it will bring to our school.

Congratulations to Mr and Mrs Younes
Congratulations to
Mr Younes and his wife Nicole
who last Saturday became proud parents
of baby Julian.
Nicole and Julian are both doing well and
we look forward to when they can both visit
Facilities Update
Over the past fortnight we have continued developing our school’s facilities by completing the following:

Corridor in Block B (Year 3 and 4 Building)
We have removed the old “bag hooks” and replaced these with “bag lockers”. In the coming weeks we will also install new cupboards and replace the carpet. It is our hope that all of the internal components of this project will be completed by the end of term and then over the holidays we plan to refurbish 3DJ’s and 3KC’s classrooms.

External (School Grounds) developments
We have also completed a number of tasks throughout our school grounds recently such as:
1. Cleaned the majority of the drains and placed new grills over them
2. Built new steps near the Science Shed which allows easier access in this area of the school
3. Placed additional fencing near the Year 3/4 adventure playground area
4. Cleared the garden bed near the back (yellow) gates
5. Placed additional mulch in the garden beds and
6. Created new garden beds at the back of the school and also around the Year 5 and 6 portable.

It is wonderful to be in a position where we are able to complete the above projects for the betterment of everyone in our school community. The above has been made possible as our families have contributed by settling their school fees. Once again, a sincere thank you everyone!

Junior School Council (JSC) Update
Thank you everyone for supporting the recent JSC fundraising event. It was wonderful to see the children (and staff) thoroughly enjoying themselves as we dressed up as “what you would like to be when they grow up”. The JSC organised the event in order to support Deganta, our sponsored child who lives in Bangladesh. In total we raised approximately $400 which is terrific. Please refer to the JSC piece in the newsletter.
Student Reports
The teaching staff have been incredibly busy over the last few weeks not only with attending school events but also writing student reports. Your child’s report is a means of us, as an educational institution, informing the children and their respective families of how your child is progressing but also indicating what they have accomplished, areas for future growth and, most importantly, how we can work together for the educational, social and emotional development of the children. For me student reports are a time to celebrate and acknowledge how far the children have progressed over the course of the semester. I look forward to discussing your child’s report with parents and students after they are distributed on Friday 20th June.

Arrangements for this year’s Student Led Conferences (parent teacher interviews) have been distributed. A reminder that these are being held on Monday June 23rd and Wednesday June 25th. It is extremely important that all parents attend the interviews as they are an important means of sharing your child’s progress and also strengthening the partnership between home and school.

School Community Support
We are extremely privileged at our school to have so much parental assistance and support. A sincere thank you to the numerous parents who have been assisting with various tasks throughout the school such as:

- Listening to children read
- Working in classrooms
- Cooking sausages and vegetable patties at the Cross Country
- Manning stations in the PMP program
- Assisting with the Mother’s Day stall
- Assisting in the library
- Organising the Toasty Cheese and Milo Days and
- Attending excursions/incursions etc.

A sincere thank you as your support is greatly appreciated by the staff and children!

Vacation Care Program
Once again our school will be implementing our very own Vacation Care (Holiday Care) program which will commence during the forthcoming June holidays. Included in this newsletter is an overview of the program and the associated costs. Please be aware that ALL FAMILIES are entitled to a 50% rebate (which is not means tested) plus a further rebate which is determined by your family’s 2012-2013 annual taxable income. If you have any questions pertaining to the Vacation Care program please do not hesitate to contact or see Grace (OSHC coordinator) or me at school.

Enrolments
I would like to once again remind families with children who will be beginning school in 2015 that we are taking enrolments now and that they are also closing rapidly with only a very small number of positions available as places are filling fast. Hence I strongly encourage you to ensure you return your child’s enrolment form to Jenny or Pam as soon as possible.

We also ask that members of our school community assist us by informing any of their neighbours of the enrolment procedures and direct them to the office to collect an enrolment form or our school website – www.glenps.vic.edu.au. School tours are available every Tuesday morning commencing at 9:30 and also upon request. Please call the school on 9802 9938 to book a tour.
CONGRATULATIONS TO THE FOLLOWING STUDENTS WHO RECEIVED A PRINCIPAL’S AWARD RECENTLY:

Prep OA: Peter and Nuo Yan for being very responsible members of our school community by looking after another child
Prep MT: Suprit, Appu and Nithilan for making excellent choices and Cindy, Minh, Suprit, Janessa, Matthew, Adhyan and Alexa for fabulous writing

1KG: Elaine and Jessica for being a very responsible members of our school community by returning a lost jumper and beautifying our school grounds
1MB: Nikita also for being a very responsible members of our school community by returning a lost jumper and beautifying our school grounds
1PK: Lewis for fabulous writing - featured in Kids Corner section of this newsletter
1SR: Sophia for a fantastic piece about her dad, which is also featured in Kids Corner section of this newsletter

2ND: Kuvan for making a wonderful loom bracelet for me, Sam for being very brave and Randiv for being a great friend

3AJ: Ishwari, Sana and Perri for being terrific helpers
3DJ: Jay and Leonard for being wonderful school helpers
3KC: Min for creating a wonderful project about Seasons and Cao-Tri for being a great friend
34S: Abi for writing a wonderful recount about her holiday to Singapore and Perth and Victoria for making excellent progress with her English skills

6SY: Andy, Kin, Praveen, Ishane and Dhiv for being terrific helpers
6LT: Jia wei and Brock for creating a wonderful iMovie about how to build a dinosaur using timber, Rebekah, Lucky, Channa, Jebin and Pimal for creating very creative music stories using their iPads with the apps Notability or Pages, Nandinee, Channa, Kavin, Pimal, Wonjun, and Lucky for being outstanding school helpers and Sam for being a very responsible and caring member of our school community

2PS: Karina for writing a brilliantly structured information report about Persian kittens

The entire class for amazing writing about water as part of their science unit

5PA: Chamu for completing some wonderful conversions when working with fractions

3DJ Raina, Dinuli and Soobin for outstanding Maths work as they converted fractions to decimals
BIRTHDAYS

Happy Birthday to the following students who celebrated their special day during the second half of June:

Prep CB: Malachy and Vyshi
Prep MT: Appu
1PK: Hannah and Matthew
1SR: Hansi
2CW: Sehnus
34S: Alexander and Kisuri
4MK: Selina and Dhruv
5JT: Duvin
6CG: Senaak, Ellen and Everley
6LT: Lucy and Ha-Sung
6SY: Thepuli and Joseph

Wishing everyone a safe and happy fortnight,

Frank Catalano
Principal

KIDS CORNER

The Kids Corner section of this fortnight’s newsletter has been written by Lewis and Sophia who are both in Year 1. I hope you enjoy their amazing writing as much as I did!

The Day the Water Ran Out – by Lewis 1PK

I am a cheetah. I live at the Werribee Zoo.
I live with my friends the giraffe, the crocodiles and the hippos.
I love living here because it reminds me of Africa.
We enjoy running in the plains and meeting at the waterhole in the hot African sun.

One day we noticed the crocodiles and hippos were floundering in their enclosures. We also noticed the grass was drying up.

Then we all had a meeting at the waterhole.

Everyone started chattering and elephant said, “Maybe there is a drought!”

And we all agreed animals, humans and plants need water. After one week their hopes came true. Dark grey clouds gathered and it rained for a long time and all of the animals shouted, “HOORAY!”

My Dad - by Sophia 1SR

My dad is very nice.
When I am sad he fixes the problem.
My dad is very handsome.
My dad is kind.
My dad is the most perfect dad in the whole world.
My dad is the best.
My dad is super dooper cool!
**Morning Routines- Preparing for an Effective Day of Learning**

With the colder Winter months approaching, many of us can find it harder to get out of bed and get organised. With Wintery mornings, the traffic is often worse, the mornings can be darker and sometimes even our children can find these mornings challenging. These are just some factors as to why it is important for our students to have a strong morning routine which includes a healthy breakfast, making sure school bags are packed and a regular school-drop-off routine. By doing things with consistency and predictability we are helping our children to be prepared, which means they are ready to bounce into school with an enthusiasm for learning.

At school-drop-off time, especially during Winter months, some children are passive resisters on a deliberate go-slow. Others can even more actively resist their parents’ efforts to get them to school with tears, tantrums or tiredness.

As parenting expert Micheal Grose points out, “Children’s tears at drop-off time can play at the heart strings of compassionate parents, particularly those who feel guilty about leaving their child. Tantrums are another way children keep parents busy and their complaints about being too tired indicate that perhaps an earlier bedtime is in order”.

Your aim as a parent is to establish a regular, predictable pattern of behaviour for your child in the morning, particularly as you approach the school gate or classroom door. If dropping kids off at school in the morning during these Winter months is a problem, here’s a few ideas that may help:

1. **Go through the morning and drop-off routine** with your children. Make sure everyone knows what’s expected. Work out your jobs and those that the kids need to do then stick to this arrangement. For instance, it may be your job to make school lunches but it’s up to the kids to put them in their bags.

2. **Drop kids off, turn around and go**: We are extremely fortunate at our school to have a very supportive parent community, who work together with the teachers to ensure a smooth, free-flowing drop-off zone. Most kids settle down at school within five minutes of being dropped off. Teachers are experienced at helping kids settle into the school routine, so allow them to take over.

3. **Reaffirm their efforts later**: If your child begins to go off without tears or tantrums after a long period of difficult departures then make a bit of fuss when you see them later in the day. Don’t go overboard with tangible rewards or bribes. *Parental recognition, genuinely given is a huge motivator for most kids.*

4. **Promote independence**: If your normal habit is to drop your child off at the classroom door each morning, try saying goodbye at the school gate every now and then. The aim is to make your child less, rather than more reliant on you.

Many of the above tips relate directly to our school’s social-emotional wellbeing program. The You Can Do It focus areas of “Organisation” and “Confidence” are expressly taught by teachers and help our students to become successful lifelong learners.
CIS – Council of International Schools
(Setting the standards for International Education)

The Council of International Schools (CIS) is a membership community committed to high quality international education. It is a world-wide educational community, and the Glen Waverley Primary School Curriculum Committee is currently working toward becoming a member of this organisation.

Essentially it is a global non-profit membership organisation, which provides services to primary and secondary schools, higher education institutions and individuals that share the following ideals:

- A desire to provide students with the knowledge, skills and abilities to pursue their lives as global citizens; and
- A commitment to high quality international education.

To achieve this goal, members must infuse their programmes and curriculum offerings with international and intercultural perspectives so that students can move forward with the attitudes and understanding that will provide them with a solid base wherever their studies or work may take them. Further to membership, schools then commit to an ongoing external quality assurance process referred to as Accreditation to enhance student learning. This is a process that we keenly await here at Glen Waverley Primary School (GWPS), and will pursue with vigour once our membership status is established.

At GWPS, we are committed to providing the highest quality programs when we compare our outcomes to the rest of the State, to National data, and Globally using sources such as PISA. We feel that the opportunity to engage in such a rigorous accreditation process fits snugly with our school philosophy, values and community.

Further information can be found at the CIS website www.cois.org.

We look forward to becoming a member of the CIS and also sharing this achievement with our school community.
Student Led Conferences

On Monday 23rd and Wednesday 25th June, students will be meeting with their parents and class teacher to present the achievements they have made this semester.

Each conference is of 15 minutes duration and if parents have requested an interpreter they will be available to assist.

This is a wonderful opportunity for students to practise real life skills including communication, organisation and leadership. Using their portfolio as a reference they will be explaining a range of learning tasks undertaken this semester across the curriculum.

Level 3 and 4 parents are reminded to complete the comment section on the Student Reflection page and to bring this on the night.

Debbie Jacobs
Assessment & Reporting Coordinator
WHAT'S NEWS?

AMAZING DISCOVERIES FROM OLT
Preps in OLT have been making new discoveries with their learning at Glen Waverley Primary School. The students have been very proud of their achievements so far and, with just over half a year to go, students are looking forward to more successes.

YOUNG MATHEMATICIANS EMERGING
Term Two at GWPS has been a busy time for the budding mathematicians in OLT. Students have been working on a range of strategies to help them solve maths problems using number, measurement and graphing. Although they work hard to achieve their maths goals, students make sure they have lots of fun in the process. "I liked finding shapes in the classroom, like a circle on the glue lid," said Vidu. "I have enjoyed learning about counting on by jumping like a frog," says Kevin.

WEATHER REPORT
Cloudy with a certain chance of learning.
In OLT, the weather reporters have experienced strange weather happening over Glen Waverley Primary School. They have sighted 4 different types of clouds, all at the same time. "A cirrus cloud is high and see-through" says Sithuli, aged 5. "A cumulonimbus cloud is grey, stormy and fat," says Lisa, looking at the weird sky. "Cumulus clouds are fat and fluffy, that means it's going to be sunny" commented Varun, smiling. "Stratus clouds are flat and low," said Ramika, pointing to the sky.

SPECIAL OFFER
WRITER'S WORKSHOP
Do you want to be an amazing writer but don't know what to write about? Come and join the team in OLT to be inspired and motivated to try different types of writing. Students enjoy writing letters, instructions, poems, stories and much, much more! They concentrate on correct punctuation, writing long and interesting sentences and rereading their work to check it makes sense. Akein, an enthusiastic writer, said, "Writers don't just write one thing. They should try lots of different writing!"

ENTERTAINMENT
STEP INTO THE FUTURE!
Children from OLT have had a glimpse of what they might be when they grow up. Some were firefighters, postmen, police officers and a vet. Check out the photos below! What will you be?
In 4MK, we have started learning about the 5 keys to success in the “You Can Do It!” program. We have started looking at resilience and confidence.
JSC PRESENTS: DRESS UP AS WHAT YOU WANT TO BE WHEN YOU GROW UP DAY

It was a day of fun and excitement on Friday the 30th of May. Students of Glen Waverley Primary School came to school dressed up as what they wanted to be when they grew up. Some teachers dressed up, even though they were already ‘grown up’.

Throughout the day, cohorts of students had the opportunity to model their outfits through several parades around the school. There was anticipation and joy as we had scientists, doctors, teachers, superheroes, firemen, and many more occupations take over our school.

The purpose of this day was to raise money for our World Vision sponsored child Diganta. It was heartening to see the immense support from the Glen Waverley Primary School community, helping us raise approximately $400! This money will help meet the basic needs of Diganta such as having enough food to eat, fresh water to drink, medical assistance as well as an education. In fact, thanks to our continued support over the last 3 years, one year ago Diganta received essential medical support for a broken arm that he wouldn’t have received without our help! In addition, World Vision supports Diganta’s community to become a more sustainable place to live. Thank you to everyone for their support and generosity with this worthwhile cause, and to our very special Junior School Council representatives who helped organize this fantastic event.

Miss Javidi and Mr. Hudson
(J.S.C Coordinators)
A contingent of 58 Glen Waverley students went along to the recent Syndal District Cross Country event that was held at Jells Park. Competing against representatives from the ten other Syndal District schools, our students certainly did us proud by both the way they conducted themselves on the day and with their fine running efforts. It was very pleasing to see students from our school not get caught up in the frantic sprints in the first hundred metres or two and instead pace themselves so that they were able to finish the 2km and 3km courses largely without walking. I was always happy to see small groups of our students running together throughout their races as this helped to lend each other support and encouragement through the challenging competition. Each age group and gender race had between 100-110 competitors, and those who finished in the top 20 places of their race were then selected to represent our District at the Monash Division Cross Country event on Tuesday 3rd June. Three of our students (Hyunbae 6LT, Rebekah 6LT & Fahad 5PA) managed to achieve this feat with a number of others just missing out by only a handful of positions. I would like to thank the parents who were able to come along and help support our students on the day and I congratulate all of the students for their determination and effort.

Despite the miserable weather, the Monash Division Cross Country event proceeded and Hyunbae, Rebekah and Fahad all achieved outstanding results. Competing against the best runners across this large Monash zone, Fahad finished 41st for the 11yo boys race, Hyunbae finished 27th for the boys 12yo race and Rebekah finished 7th for the 12yo girls race. Rebekah’s fantastic running will now see her move on to the Eastern Metropolitan Regional Cross Country event on the 17th June at Yarra Glen Race Course. We certainly congratulate her and wish her all the best for this event. We thank Mr Kitch who very kindly drove these students out to the Monash Division event to ensure that they were able to participate.

Could you be the next Cadel Evans?

Blackburn Cycling Club provides 8-16 year olds with a development program where aspiring riders can:
- become competent and confident enough to participate in more advanced training and prepare to compete safely;
- develop their skills regardless of their strength and speed;
- experience an enjoyable and safe skills session free from traffic;
- ask questions on technique, racing tactics or cycling in general.

Over the next few weeks the program will be available on a come and try basis for anyone interested in giving it a go.

When: 1:45 – 4.30 on 7-14-21 June and 6 July
Where: Siemens Factory, 885 Mountain Hwy, Bayswater.
Cost: $5 per session – no licence required for above dates
