PRINCIPAL’S REPORT

Dear Members of the Glen Waverley Primary School Community,

Welcome to another very exciting and information packed newsletter! As usual so many marvellous things have occurred at our wonderful school over the past fortnight such as:

Facilities Update
I am very pleased to report that my new office is now complete - although at the time of writing this, we are waiting for the new blinds to be installed. Hopefully this will occur by the end of this week or early next week. Thank you to the numerous parents who have popped in to see me. The children also enjoy walking past and seeing me and I also enjoy being able to see what is occurring in the main corridor. For those who may not be aware, my office is now located next to the library and Mr Kitch and Mrs Tomecek have moved into my old office space.

Additional portables
Over the last few months I have been liaising with the Department regarding the possibility of our school receiving additional portables for the 2015 school year and to also replace the ageing portable which 5JT and 5PA were using. I am very pleased to report that the Department have approved for three additional portables for our school. One, which is approximately three years old, will replace 5JT and 5PA’s portable and we will also receive two brand new portables. This really is wonderful news for our school community as we will receive six additional modern learning spaces.

SCHOOL LUNCH ORDERS
Lunch orders are available from our service provider Balance Living Catering five days a week. Ordering is done through an online service, details of which are available on our website or visit http://www.balancedlivingcatering.com.au/school-lunch-ordering.html

UNIFORM SHOP
Situated in the West Wing on the School Grounds
Open Monday between 3.00 – 4.30 pm
Closed Public Holidays and School Holidays
Please bring your own bag for purchases as we are an environmentally friendly school
Orders may be left with the office – these must be in an envelope marked with the child’s name and grade together with payment, correct monies are appreciated.

19th LAST DAY OF TERM 4
EARLY DISMISSAL – 1:30
Below is a site map which outlines where the portables will be placed. Essentially the project involves:

- 5JT and 5PA’s portable to be demolished
- the Science shed to be relocated adjacent to the Year 3 and 4 adventure playground
- the three year old portable will be placed parallel to the fence line
- the two new portables will be placed almost in line with 5SR and 56L’s existing portable
- the cricket nets will be relocated behind the football goal posts and
- the water tanks will be relocated behind one of the new portables.

Obviously this is quite a large project which must be completed before the beginning of the 2015 school year. Hence it is also extremely important that we commence as soon as possible. Therefore last week we vacated 5JT and 5PA’s portable, and they are now located in the Languages and Art room (respectively) and we have also cleared the Science shed.

What will occur next? According to the information provided:

- Very soon temporary fencing will be placed around the area
- The electricity to the old portable and Science shed will be turned off on Friday 14<sup>th</sup> November
- The portable will be demolished the week commencing Monday 17<sup>th</sup> November
- The Science shed will be relocated in the next week or so
- The three year old portable will be delivered and installed on the 25<sup>th</sup> November and
- The two new portables will be delivered and installed on Friday 12<sup>th</sup> December.
I am very much looking forward to this project being completed as the additional modern learning spaces are certainly welcomed. The project will also provide our school community with the opportunity to redevelop the external components of this area of the school. I am also looking forward to working with the children as they provide their creative and innovative suggestions!

Naturally I will provide everyone with an update in the next newsletter.

**Where is the school community noticeboard?**

As everyone would be aware, the school community noticeboard was located on the external wall next to the library windows. However, as part of my new office redevelopment, the builders were required to lower some windows which impacted on the noticeboard. Hence the school community noticeboard is now located in the main corridor next to the library which contains a plethora of information such as School Council minutes, the latest policies and general school information.

**Congratulations to Buwanaji**

Last Friday week I had the pleasure of accompanying Buwanaji (Year 1) and her parents, Lasanthi and Asanga to the Whitehorse Centre in Nunawading as Buwanaji’s poster was shortlisted as a finalist in Yarra Valley Water’s primary school’s competition. Buwanaji’s creative and very informative poster was ranked 3rd in the Year 1 and 2 section which is a wonderful achievement. Well done and congratulations Buwanaji, I hope you are as proud of yourself as we are of you!

Below is a copy of what Buwanaji said at a recent school assembly:

> Good morning Mr Catalano, teachers, students and parents,

> The National Water Week 2014 competition was held last Friday and I got the chance to represent Glen Waverley Primary School. In the Year 1 and 2 category, I won 3rd place. I was very happy because I was able to represent my school.

> I would like to thank Mr Catalano, Mrs Barnes and Miss Dale for organising this and Mr Hudson for giving me this wonderful opportunity. I hope all of my friends will be able to participate in this competition next year.

> Thank you.
Congratulations to Summer

Summer (Year 1) firmly believes the best way to make a difference, is to do something! Recently she approached me and asked whether she could run a “guess the number of jellybeans in the jar competition” in order to raise some additional funds for our school. Naturally this request was accepted and she (and her buddy Nifty (Year 4) are overseeing the competition. Tomorrow is the last day of guessing so please endeavour to support Summer. To guess, $1 allows one guess and $2 three guesses. Good luck everyone and congratulations Summer on the wonderful initiative. Below is Summer’s speech which she delivered at a school assembly:

Hello. My name is Summer. I’m in grade 1.

You already know that some of us are helping to raise money for a new school hall. I am helping by setting up a “guess the jelly bean jar” competition this term. You could win THIS jar of jelly beans.

I know you are all thinking, “how do I win the jelly beans?” What you have to do is guess the number of jelly beans in the jar. The correct or closest number will win the jar of jelly beans.

It will cost $1 for one guess or $2 will get you three guesses.

Now you need to know where to go to enter. I will have a stall during recess in front of the old music room. We will be there from the 5th till the 14th of November. Teachers are very welcome to guess too.

I would like to raise over $100 for the school hall, so please come and guess so we can all enjoy a new school hall together.

Mr Catalano and I will announce the winner and tell you how much money was raised at assembly on Monday the 17th of November.

Thank you.

Congratulations to Hari

Hari (Year 5) has certainly had a very busy and amazing year! Recently he participated in the “World’s Greatest Shave” initiative and raised over $400, last week he informed me that he also participated in the Australian Air League’s essay competition and over the weekend he competed in the Spellmasters Spelling Finals.

During the second week of the recent school holidays, the Australian Air League celebrated their 80th Anniversary in Canberra. As a lead up to this they organised various competitions for the cadets from all over Australia. Hari and his family drove to Canberra for the celebrations and also stayed for a while. Hari participated in an essay competition on an aviation topic and won first place for his age group which is fabulous and a real credit to Hari.

Last week Hari received a plaque at our school, which was supposed to be presented to him by his Excellency General the Honourable Sir Peter Cosgrove in Canberra, however due to time constraints, the awards ceremony was cut short. Once again, congratulations and well done Hari – as this is another wonderful achievement!

The Australian Air League Waverley Squadron meet in our school hall every Thursday evening from 7:30 to 9:30 pm. If your child is interested in participating please call Mr B Tran on 9713 0356 or 0408 389 478 or alternatively pop in and see him on a Thursday evening as they always welcome new members.
Hari is also a member of Spellmasters and on Sunday he competed in both the Junior and Seniors Grand Final. For the second year running, he was named the Spellmasters' Junior Champion which is a fantastic achievement. Hari also achieved second place in the Senior Division where he competed against children in Years 7, 8 and 9. Once again, another outstanding effort!

**His list of prizes for winning the Juniors Championship from the sponsors include:**

- A yearly rolling trophy that will stay at GWPS with his name inscribed on it (same as last year)
- A personal trophy for him to keep at home
- Spellodrome subscription 12 months - for personal use – by 3P Learning
- Spellodrome subscription 12 months - for whole school use – by 3P Learning
- Escapism party package for 6 – by Strike at QV in the CBD
- $100 Book Voucher at Readings Bookshops – by The Satir Centre
- Kobo Mini eBook reader – by Vita-Minis

**His list of prizes for winning 2nd place in Seniors Division from the sponsors include:**

- Australian Encyclopaedic Dictionary – by Macquarie Dictionary
- Spellodrome subscriptions - for personal – by 3P Learning
- $50 Book Voucher at Readings Bookshops – by The Satir Centre
- Kobo Mini eBook reader – by Vita-Minis

The above is certainly a very impressive list of prizes Hari – once again, well done and congratulations!

Hari and his family have also decided to donate some of the dictionaries and also the yearly Spellodrome subscription to our school. Naturally we are extremely grateful for their generosity – thank you so much Mohan, Priya, Srinidhi and Hari!

For those who may not be aware, 3P is the company which offers the online learning resources such as Mathletics, Into Science and Reading Eggs which our school subscribes to. The Spellodrome yearly subscription is valued at $2,600.00. Once again, congratulations Hari and thank you for your very kind offer and generosity!

At Monday’s assembly, Lily, from Spellmasters, will visit our school in order to present Hari with the winning trophy.

If you are interested in your child participating in Spellmasters, please refer to their website: [www.spellmasters.com.au](http://www.spellmasters.com.au) Round 1, is being held on Sunday February 22nd 2015.
2015 School Fees
As I’m sure the majority of families would be aware, as a Victorian Government school the Government provides for much of our school’s basic operational requirements with a financial grant that is paid to the school in quarterly instalments. This covers items such as cleaning, gas and electricity, water rates, facilities, telephone, furniture, some buildings and grounds maintenance, administration, some curriculum support and professional learning for the staff.

In order for us to provide educational programs of a standard and quality expected at Glen Waverley, we need funds in addition to those provided by the Government which is generated by family contributions. Recently the 2015 School Fees notice was distributed which outlined how school community funds were used this year and what we have planned for next year. I am extremely grateful as the vast majority of our families have settled their 2014 school account which has made a significant difference to our school as mentioned above.

You will note that School Council has differentiated between the Essential Student Stationery Supplies and Curriculum Requirements as some families are eligible to claim the Essential Student Stationery Supplies (Book Packs) when completing their annual tax return. We strongly advise you to keep a copy of the School Fees notice and receipt for such purposes. Naturally as with all school related financial issues, if a family requires making additional arrangements please do not hesitate to contact me.

Payments can be made from this week and a reminder that a $10 discount applies if you settle your account prior to the end of the 2014 school year.

2015 School Captains
It is quite obvious that the process to select the 2015 student leaders has certainly begun with “vote for me” posters in the main corridor and speeches held at the assembly last Monday. I would like to wish all of the children and their families the very best of luck and also thank them for being prepared to nominate and complete the election process. We look forward to announcing the 2015 School Captains and all of the 2015 student leaders in a few weeks.

Enrolments
I would like to remind families with children who will be beginning school in 2015 that enrolments are closing rapidly with only a very small number of positions available as places are filling fast. Hence I strongly encourage you to ensure you return your child’s enrolment form to Jenny or Pam as soon as possible.

We also ask that members of our school community assist us by informing any of their neighbours of the enrolment procedures and direct them to the office to collect an enrolment form or our school website – www.glenps.vic.edu.au. School tours are available every Tuesday morning at 9:30 and also upon request. Please call the school on 9802 9938 to book a tour.

During Term Four we are preparing for the 2015 school year and would really like your assistance in providing us with as much information as possible regarding your intentions for next year. If you believe you will not be returning to Glen Waverley Primary School in 2015 could you please write me a short note indicating so. As I am sure you would understand, we need to commence the process of selecting staff and allocating students to classes – your cooperation with this issue is greatly appreciated.

Warm Weather
As everyone would be aware, the weather is beginning to warm up hence we strongly encourage all of the students to bring a drink bottle to school, some sunscreen and naturally their sun smart school hat. A water bottle on the desk will enable the children to have a quick drink and alleviate the need to leave the room. If a child does not have a hat at school they will be required to play in the shaded areas. Naturally hats are available from the uniform shop.

The Kids Corner section of this fortnight’s newsletter has been written by many of our wonderful students which demonstrate the wonderful writing skills throughout our school, such as:

Saturday
Dear diary, my name is Converse, and I am a shoe. My company is Converse Star. I am one of a sneakers pair. My color… well I can’t see my colors but I think it might be purple Grey and white. My owner is a girl called Sanapants because that’s what her friends call her. And also that’s how I think I know what my color is!!! Today I sadly won’t be used but my old pal Sandy (a sandal) will be used so that leaves me with mean old Black boots and my pair.

Monday
Dear diary today I will be used but I can’t find my pair. Hopefully I’ll find him and I’ll write in you once I’ve found him, also when we’re at her school. LOST!!! URGENT!!!!!

Tuesday
Dear diary, I finally found my pair and we’re in on Sanapants’ feet, and right now she’s stepping her way to Glen Waverley Primary School. My sole is a bit wrecked because of the running and hard cement (which really is hard) but we’re almost there.
My pair and I are right now resting on the soft and comfy carpet because Sanapants is sitting on her chair at school doing her work. I think they might be doing Maths because I can hear that people are doing one plus ones and answering with 2, 11, window or 41. Of course forty-one is correct look down there I’ll prove it.

Saturday
Dear diary I’m in a bin, I don’t know why because the first thing in the morning I found my pair and I in this recycling bin. I think the owner (Sanapants) has forgotten about me and Kim (my pair). It’s large and very stinky in here with boxës and more. I cannot even be peaceful or sleep in here because of that STINKY SMELL!!!

Wednesday
Dear diary, it’s raining its pouring the old man is snoring he bumped his head at the end of the bed and he couldn’t get up in the morning. I’ve been left out on the front porch and I’m soaking wet and I can’t seek shelter because I’m surrounded by puddles and shoes can’t swim you see. My lucky pair was lucky and quick enough to seek shelter inside the shoe rack.

Sunday
Dear diary, I’m in the recycling centre in the queue to be re-used. It is awful. We are so scared. Are we going to be crushed to dust or re-cycled??? ☹ I and my pair are sooo scared we’re wrapping each other with our laces!!! ☺

Monday
Dear diary, I’m back at home being repaired, stitched up and polished because of our escape. When we were almost at the end of the conveyor belt we saw a window that was open we jumped out with our shoelaces!!!
But then we were in the middle of the road but we took a ride on a heavy goods lorry by doing a smart, split second jump made by Kim. We were home in about (300 seconds + 300 seconds =) 10 minutes (with 2 hours of walking)!!!
We’re near the fire place as I said being repaired and that’s THE END!!!!
Changes to the Education Maintenance Allowance

From 1 January 2015, the government will provide extra financial support directly to Victoria’s neediest schools instead of providing the Education Maintenance Allowance directly to parents. **Parents will not be able to apply for the Education Maintenance Allowance in 2015.**

The money will be allocated to eligible schools through schools’ core operational funding mechanism, with the neediest schools receiving the most funding. Not all schools will be receiving funding in 2015. Glen Waverley Primary School will not be receiving any additional funding.

This change to how the money is distributed was required by the funding agreement with the Commonwealth government to make sure Victorian schools receive increased funding that will benefit all students and, in particular, those from schools with concentrated disadvantage. The majority of parents who received the EMA payment already elected to provide the money directly to their school.

If you are experiencing financial hardship, you can speak to your principal about how you can access assistance from the State Schools’ Relief Committee for clothing and uniforms. The end of the EMA direct payments to parents will not affect any other payment you may be receiving such as the Schoolkids Bonus, which is provided directly to eligible parents to assist with education costs.

If you have any questions about this change, please speak to Mr. Catalano.
This week the students of 4KB learnt how to write Limerick poems. Limericks are a funny poem, following a set rhythm and structure. Below are some students’ poems.

There was a rotten fish in a dish,
He had a wonderful friend named Trish.
He was in a muddle,
In for a cuddle.
That poor old rotten fish in a dish.
By Simar

There once was a lovely puddle,
Who looked like a soaring muggle.
It started jumping,
It started thumping.
Oh what an unusual puddle.

We are excited to announce a new provider and greater variety in the sports programs that will be on offer for students in 2015. After running some wonderful dance and gymnastics sessions during our recent PE & health Week celebrations, we have opted to have Kelly Sports take over from Big 5 as the main provider of the sports extra-curricular programs next year. The ever-popular tennis that is run by Hot Shots Tennis will continue to be run on Friday afternoons. In addition to this, Kelly Sports will be running the following after school programs throughout 2015:

Term 1 – Gymnastics & Hockey
Term 2 – Dance & Basketball
Term 3 – Circus Skills & Soccer
Term 4 – Cricket & Multi-sports

We hope this greater variety of programs will appeal as much to the female students as it will to the male students. The programs are targeted mainly for Prep to Grade 4 students as they build upon the basic skills, techniques and movements necessary to succeed in each of the programs. Flyers advertising the 2015 Term 1 programs will be provided soon. If you have any feedback or requests in regards to any sports extra-curricular programs you may want to contact the delivering company directly otherwise parents are most welcome to speak to me at school.

School PE & Sport Teaching and Learning Leader

During the last two weeks we have had the pleasure of playing against Highvale PS and Parkhill PS in our weekly Summer Interschool Sports competition. Our results have continued to be very pleasing and students are displaying the terrific progress that they have made throughout the year.

Round 3 versus Highvale PS:
Cricket: GWPS 52 lost to Highvale 60
Danish Rounders: GWPS 18 defeated Highvale 16
Softball: GWPS 5 drew with Highvale 5
Tee Ball: GWPS 25 defeated Highvale 17
Rounders: GWPS 6 lost to Highvale 27

Round 4 versus Parkhill PS:
Cricket: GWPS 54 defeated Parkhill 48
Danish Rounders: GWPS 24 defeated Parkhill 21
Softball: GWPS 3 lost to Parkhill 7
Tee Ball: GWPS 16 lost to Parkhill 12
Rounders: GWPS 5 lost to Parkhill 23

There are three more rounds remaining in the competition: Rd 5 vs Pinewood PS (14/11/14), Rd 6 vs Sussex Heights PS (21/11/14) and Rd 7 vs Syndal South PS(28/11/14).
Last week the Year 3 and 4 students were very fortunate to meet the wonderful author, Kate Forsyth, who has published over thirty adult and children’s fiction titles, including picture story books, all over the world.

Kate was here to share her creative writing with our very excited budding authors. Kate wrote her first book aged seven after being immersed in literature from her very early years. Her plots for her narratives come from childhood wonderings, real life experiences, events she sees and reads and from her imagination.

Students were inspired as she discussed the characters from her new series “The Impossible Quest”.

They asked many questions about: coming up with story ideas, developing the character, her favourite book and how long each title took to write and edit.

Students were able to purchase the first two books in the series and Kate personally signed them all. Some of the students’ responses were:

“I felt special having an author coming into our school and talking about her life and her childhood castle.” Puji

“It was really exciting for me as it was the first time I have ever seen a real author. I bought both of her books and they are very good books as you just want to keep on reading. They get more interesting as you read.” Deshitha

“One thing I learned from her visit was to take things from experiences, like ideas for stories. She had the actual four objects from her story.” Keziah

“I liked how she told us how she writes the books and told us why she writes books. I think they are very interesting.” Srijit

Girls’ Footy @ Blackburn

Interested in playing girls’ footy in 2015?

Then come and join us at Blackburn Football Club.

The Blackburn Football Club is a proud supporter of girls’ football. We have had girls’ teams for several years and in 2015 are planning:
- Under 10 girls (born 1997 to 1999)
- Under 13 girls (born 2000 to 2002)
- Under 15 girls (born 2003 to 2006)

The teams will play in girls’ only competitions.

Our focus is on having fun, developing new skills, meeting new friends and enjoying the great game of football in a supportive environment.

Our coaches, include leading female footballer, 8 times All-Australian and No. 2 pick for Melbourne at the 2014 Draft: Meg Hutchins.

Our Under 15s will start pre-season training in late November and our Under 13s in February. We will also be holding a series of special clinics in early 2015 to help you develop your skills.

Irrespective of whether you have played footy before or this will be your first year, you are more than welcome at Blackburn.

Register now, simply email your (child’s) name, date of birth and school along with your (parent’s) name and mobile number to blackburnjmrfc@elf.org.au.

If you have any queries about girls’ football at Blackburn:
- send an email to blackburnjmrfc@elf.org.au
- call David Ramsdale on 0414 580 854
- call Craig Smith on 0425 801 545

‘cause girls play footy too!
