18th April, 2017

Dear Parents/Guardians,

Re: Prep Trash Puppets Incursion

In Term Two the Prep students will be exploring the science topic of ‘Could recycling materials save the world?’ as an introduction to chemistry. An incursion titled ‘Trash Puppets’ has been organised with the learning intention of tuning students into the topic and assisting them in developing a greater curiosity towards the different aspects of chemistry. The incursion itself will empower students to get creative using recycled and reused materials.

This incursion will take place on Thursday 4th May, the third week of Term Two. The students will participate in sessions within their class group, with each session taking approximately 2 hours. These sessions will be held both in the school hall and the E.L.C. building.

The cost of this incursion is \$13 per student and is payable by Friday 28th April, 2017.

If you have any queries, please do not hesitate to see your child’s classroom teacher.

Yours sincerely,

Ms Melinda Tippet, Mr Roland Lewis, Ms Samantha Matsoukas, Ms Jessica Smyth, Ms Alana Curro
