Event: Years 4-6 Swimming Program

Event Name: Years 4-6 Swimming Program

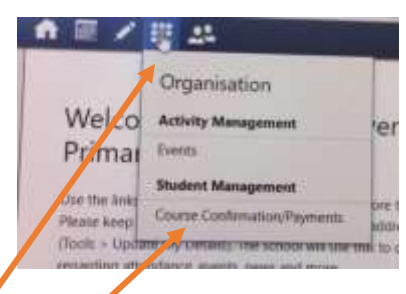

Description / Educative Purpose: Dear Parents, As part of our comprehensive sport and physical education program, we are again happy to offer a 6-lesson intensive swimming program to be held at Sherland, Nationally Qualified Swimming teachers will deliver the program and lessons will be conducted with small ratios of approximately 6-7 students per swimming instructor. Each lesson will last for a total of 40 minutes to which parents are most welcome to attend and observe, although all observation takes place in a specially designed observation room. Due to privacy laws, photos or videos are not allowed to be taken.

The cost of the 3-week/6-lesson program will be \$12 per student. This cost covers pool entry, lesson tuition by qualified staff, a swimming cap and bus transportation to and from the swimming pool.

This program comprises an essential and compulsory part of the Victorian Curriculum Health and Physical Education requirements as it teaches students essential water safety skills. Even if your child already participates in swimming lessons outside of school, this is a great opportunity for students to further develop their skills and is a great social activity.

Start: Monday, February 26 - 09:45 AM
Finish: Wednesday, March 14 - 03:30 PM
Campus: Off Campus
Location: Sunland
