Dear Parents/Guardians,

Re: Year Two Hands on Science Incursion- Chemical Changes

In Term Two the Year Two students will be exploring the science topic of ‘All Mixed Up’ as an introduction to chemistry. An incursion titled ‘Chemical Changes’ has been organised with the learning intention of tuning students into the topic and assisting them in developing a greater curiosity towards the different aspects of chemistry. The excursion itself will explore the changes that various chemicals undergo in different situations and provides a range of hands on tasks to engage the students.

This incursion will take place on Friday 21st April, the first week of Term Two. The students will participate in sessions within their class group, with each session taking approximately 1.5 hours. They will be held both in the school hall and the after school care building.

The cost of this incursion is \$13 per student and is payable by Wednesday 19th April, 2017.

As with all school activities parents are most welcome to attend. Further details will be provided as to the exact time your child’s class will be attending the incursion.

If you have any queries, please do not hesitate to see your child’s classroom teacher.

Yours sincerely,

Mr Peter Shen, Miss Monique Kelly, Miss Erica Coleman, Miss Ruby Robertson, and Mrs Arezou Javidi

Year Two teachers
